

# ABYSS

CE RoHS FC PA ®

The Abyss speaker is small enough to sit comfortably in the palm of your hand and is waterproof. Urban legend has it that if played in the shower, your singing voice becomes angelic. It has five panels on top for power, play/pause, next, back and an option to answer incoming voice calls. It comes with a small suction cup attached to place it almost anywhere with a smooth surface. Great Sound from a waterproof speaker
