

Love Peace Harmony

by Robb Edward Morris

(VERSE I)

We are of one world
Created by love
We are tomorrow
We share our life under the golden sun
We are all ONE
Why do we fight

(CLIMB)

What's become of the world we live in
What kind of future have we been given
When we hurt each other
Cause we're not the same

Is there a light at the end of the tunnel
When we fight for hope not sorrow
I'm asking you to choose another way

(CHORUS)

WE'VE GOT SOMETHING TO SAY
ABOUT TOMORROW
START TODAY
HOW 'BOUT **LOVE PEACE & HARMONY**
IS THERE A PLACE FOR UNITY
IN THE WORLD WE LIVE IN TODAY
SOMETHING TO SAY
WE'VE GOT SOMETHING TO SAY

(VERSE II)

As we live from day to day
We raise our hands and we pray
Take this hatred away

Consider the answer is love
That 's where we could begin
With love we conquer
With love the hurt can end

(Repeat Climb)

(Repeat Chorus)

(BRIDGE)

I fail to see the virtue
If I raise my hands to hurt you
Just because you don't believe - see the way I do
Ev'ry body has the right
To decide on their own truth
Where's the good if that includes
Reason to make me hurt you

What will it take the world to agree
Doesn't matter what you believe
Everybody's got a right to be
What they want
What they want
They want to be
Yeah yeah!
Oh yeah!

(Repeat Chorus)

Let's talk about Love
