

CHARGE N GO

The Charge N Go is the one of the only mobile chargers I use for travel. It doubles as a wall plug and a power bank. Plug it in and charge your device at night. Then in the morning grab everything and bag it up. Your mobile device is charged and if you need extra power during the day, you have a full charge waiting for you. Comes in both round and square shapes and is a great choice for branding.

Decoration Options: 3-color Imprint, Full Color Imprint

Material: ABS

Weight: 3.37 oz

Dimensions: 2.81 in x 0.131 in
