

# ILUMIRING 5000

**NEW!**

Get a grip on your brand with the LumiRing 5000. Its hard to believe that the LumiRing 5000 can pack so many benefits into one item...but it can. First we'll start with the 5000 mAh of power storage (enough to charge most smart phones from 0 – 100% 2.5 times. Then we move to the suction cup back that attaches and removes from the phone with ease. The ring on the back provides a way to securely grab your phone and take selfies. Last but not least, the glowing logo draws attention to your brand in a way no other product can.
