

POWER PLUS

CE RoHS FC  

Originally the Power Plus mobile charger got its name because it supplied power on the go PLUS it provided a huge branding opportunity for Corporate America. These chargers were the original mobile chargers in the industry and provide charging power to iPhones, Samsung, Android, GPS devices, iPods, iPads, Kindles...basically any small device. This portable high quality device lets you take power and your brand with you anywhere. Great for camping, outdoors, airline trips, or anywhere you need back up phone power.
