

# POWER STICK 2200

# NEW!

CE RoHS FC  

The Power Stick 2200 is the fashionista of the smaller capacity powerbanks. Its aluminum casing makes it durable and good looking at the same time, and putting your full color logo on it will only make it look better. At 2200 mAh you can charge a typical smart phone from 0-100%. Provide power when your client needs it the most. An instruction manual, USB charging cord, and a white tuck box are included.
