

PROFESSIONAL

CE RoHS FC PA UL

Features a professional amount of power (5k-8k mAh) in a slim sleek metal casing design. Has 2 USB ports to charge 2 devices at the same time – a 1 Amp and a 2.1 Amp – great for charging small and medium sized devices. LED emergency flash light and LED indicator lights also highlight this powerbank. Keep in a briefcase or travel case to make sure your client has power and your brand with them at all times.
