

Grant to Gifford School

VERC Enterprises, a convenience store and Mobil/Gulf gasoline operator with locations throughout Eastern Massachusetts, recently presented The Gifford School in Weston with a check for \$500, made possible through the ExxonMobil Educational Alliance Program. The program is designed to provide local retailers with an opportunity to invest in the future of their communities through educational grants to neighborhood schools. Lee Richardson, manager of the VERC Weston Mobil, presented the check to Wilson Fredian, executive director of The Gifford School.
