

West Middle School receives VERC Enterprises grant

VERC Enterprises, a convenience store and Mobil/Gulf gasoline operator with locations throughout Eastern Massachusetts and New Hampshire, recently presented West Middle School in Andover a check for \$500, a grant made possible through the Exxon-Mobil Educational Alliance Program.

Funded by the ExxonMobil Corporation and Global Partners LP, the ExxonMobil Educational Alliance program is designed to provide local retailers an opportunity to invest in the future of their communities through educational grants to neighborhood schools.

Jennifer Croteau, store manager of VERC West Andover Mobil, presented the grant check to Andover West Middle School Principal Rebecca Franks.

"We're proud to participate in such a fine program that recognizes and supports the quality of local schools," said Jim Fitzgerald, president of VERC Enterprises.
