Practice :	#2 - Practice Plan Time:	Location:	
5 mins	INTRODUCTION – What we are focusing on today: 1. Hitting 2. Game situations 3. Having Fun	After reviewing the drills below, introduce an overview of the practice plan in your Take water breaks when changing static completed their turns at stations	own words
20 mins	WARM UP	See Softball Warm Up document for reference, if needed. The FURY standard warm up should be used before both practice and games, at all age levels.	
10 mins Done at same time as Tee Drill	HITTING - Tee Drill: "High, Low, Middle" Use small groups (3-4) Tee is set at high, then middle, then low strike	EQUIPMENT: Telescoping tee Net 8 regular softballs	KEYS TO WATCH FOR: Proper grip - knocking knuckles, arms that form triangle "house arms", finishes swing with lead hand facing up, back hand
below 2 stations	position Batter gets 5 swings at each position TAKE AWAY: to adjust and effectively hit different strikes	Player's bat, helmet, batting gloves	facing down Proper stance -feet square, load on back leg, weight transfers to front Batter is re-setting each time
10 mins Done at same time as Tee Drill above 2 stations	HITTING – Tee Drill: "Keep Bat in the Zone" Use small groups (3-4) Batters swing and freeze at different points – at contact, at extension, at full follow through After freezing at points (3-5 swings), do full swing to bring it together TAKE AWAY: focus on the ball	EQUIPMENT: Tee Net Regular softballs Batter's gear (bat, helmet, batting gloves)	KEYS TO WATCH FOR: Head remains down with swing, eyes on ball Proper grip and stance (see above) Batter is re-setting each time
10 mins Done at same time as Soft Toss drill below 2 stations	HITTING Soft Toss Whiffle Balls Batter in batting stance about 8 feet from net Coach kneels at 45 degrees from batter, soft tosses a 2 colour Whiffle ball towards player's lead hip Batter calls out colour they hit, at contact TAKE AWAY: focus on the ball	EQUIPMENT: Net 2 Tone Whiffle balls (black/yellow) Batter's gear (bat, helmet, batting gloves)	 KEYS TO WATCH FOR: Batter calls correct colour Batter calls colour on contact Batter is re-setting each time LEVEL UP OPTION: Toss two Whiffle balls of different colours (solid colours), coach calls out the colour batter should hit, ignoring the other
10 mins Done at same time as Soft Toss drill above 2	HITTING – Soft Toss Standard Batter stands in ready position 8' from net Coach kneels at 45 degrees from batter and tosses softball in towards batter's lead hip TAKE AWAY: hit a variety of pitches, improve hand/eve coordination.	Net 10 regular softballs Batter's gear (bat, helmet, batting gloves)	Proper grip and stance Batter watches the ball Batter is re-setting each time LEVEL UP OPTIONS: Vary pitch locations; batter at home

10 mins	HITTING - Bunting	EQUIPMENT:	KEYS TO WATCH FOR:
	Batter gets in ready batting		Batter resets stance each time
	stance at a plate (in front of	Pitcher or pitching machine	to practice transition from ready
	net or backstop)	Net or backstop	position to bunt position
	Pitch from 20-30' away	8 regular balls	In bunt position batter has
	Batter shifts to bunt position	· Plate	balanced stance, front hand has
	and bunts	Batter's gear (bat, helmet,	control of bat, hands protected
		batting gloves)	behind the bat
	TAKE AWAY – proper mechanics in	January groves,	Bat is out front of plate to keep
	transition from ready batting stance		bunts in fair territory, top of bat
	to bunt position; targeting bunts		is angled to shoulder (top of
			strike zone)
			, , , , , , , , , , , , , , , , , , ,
			LEVEL UP OPTION: Call out bunt
			locations for batter (1 st , 3 rd)
	LIVE PITCH GAME	EQUIPMENT:	KEYS TO WATCH FOR:
20 mins	Game play with players in		Players are rotating through
	field, pitcher pitching to a	• Bases	positions
	batter	• Balls	 Players are using proper
		 Player gear (fielding masks, 	mechanics
	TAKE AWAY: proper mechanics	gloves, bats, helmets)	Players are in proper ready
	fielding in game situations		positions in field and at bat
			LEVEL UP OPTIONS: Have players
			cover bases; practice stealing or
			double play scenarios
	DACE DUNINUNC	EQUIDMENT:	TKEVE TO WATCH FOR:
10 mino	BASE RUNNING	EQUIPMENT:	KEYS TO WATCH FOR:
