

81st Annual 4-H & FFA Youth Livestock Show and Sale

The Annual Fleming County 4-H and FFA Youth Livestock Show and Sale was held Thursday, September 8th at the Fleming County High School FFA barn. This year marked 81 years for this event. Five Market Steers, nine Feeder Calves, ten Lambs, eleven Goats and nineteen Hogs were exhibited and sold for a total of \$166,707.50.

During the past year two huge supporters of this event passed away, Mr. Jack Knechtly and Mr. John Moran.

Mr. Moran was instrumental in assembling the groups of buyers for this sale. Members of Johns family were presented a plaque of appreciation for all he did for this sale.

Several years ago Mr. Knechtly came up the idea for the "Champion of Champions" and through a generous donation of GM stock past and future recipients were and will be awarded a cash prize, thanks to Jack. This animal is chosen from the grand champion animals exhibited in each category. This years winner was Laura Ann Pettit, she received cash and

a plaque for her champion Market Steer. Another highlight of the evening was the announcement of a donation of \$1,000 being given to the FFA department by a former FCHS teacher Mr. Larry Johnson. Larry challenged the Fleming County Republican Party to do the same.

Congratulations to all participants on a job well done and to all the winners of this years show!
Champion of Champions - Laura Ann Pettit
Supreme Showman - Spencer Campbell
Reserve Showman - Bradley Stokes

Market Beef
