Dear Families,

Welcome to Middle School! My name is Jennifer Figueroa and I am so excited to spend the upcoming academic school year helping your student grow and shine! I know we have gone through some tough times, and I look forward to pressing the reset button and beginning school again.
A little about myself, I am officially a first year teacher. This past year I taught at Hoffman Middle School as a 6th & 7th grade Associate Language Arts Teacher and truly enjoyed seeing my students learn. This year I have returned as a first year Language Arts teacher and hope to apply everything I learned last academic year in order to help each and every student gain knowledge, meet their potential, and ultimately succeed. I am a graduate of University of Houston Downtown campus, I am a Spanish minor and bilingual.
Given our recent experience with technology, I wanted to ensure to encourage 100% communication with you, so in this letter I will include my Google phone number, my email, and office hours. I want to ensure you are able to reach me as well as I may be able to reach you, and with that said, feel free to return the bottom half of this letter with your student, I would appreciate your updated contact info. I welcome parent visits in my classroom as well as 1:1 conferences to keep you updated on your child's progress.
Through the year, I will keep parents and students updated on my Instagram page: figueroa.insta.class, feel free to add me and add comments and send messages as I do check it daily. I look forward to having a wonderful year with you and your child!
