

## KAST WEB

This social distancing norm makes people miss movie nights with friends and families the most. With the approaching Christmas Eve people look for options online that will allow them to have a movie date with their loved ones. If one **downloads Kast**, they will not have to be dependent on other apps or websites. Here we will talk about KAST WEB.

### **What is KAST WEB?**

It is one of the most popular video streaming software that allows the user to watch movies online with friends and relatives. Previously they were called as Rabb.it. **Kast** gives access to Netflix, Hulu, amazon prime, and many other such movie streaming websites. One can even chat with the people they choose to watch a movie with. All the user has to do is create an account and then a private or a public room. Not only can stream movies but the **Kast** allows to play games together and many other things as well.

**Kast APP** and **Kast web version** is the means through which one can access this streaming software. There are options to use **Kast on mobile** as well.
