All drawings, digital three-dimensional models, and other documentation or deliverables (hereafter "the Documents") provided are strictly for general diagrammatic reference only and are not guaranteed for veracity, accuracy, or precision. The Documents provided shall not be used in lieu of, like or as a certified survey or certified drawing, plan, or diagram. The Documents and their provider shall not be held responsible or liable for subsequent use of the Documents for construction, renovation, remodeling, temporary installation of structures and assemblies, or other work done in or around the areas described by the Documents. The Documents are provided as-is and any subsequent use by anyone else are at the sole risk of the user.
