

4 August 2014

Mr 

Dear Mr 

R201426078

I refer to your letter of 1 August 2014 in relation to an application before the Residential Tenancies List; file number R201426078.

I have noted your comments in relation to the behaviour of Member Kefford during the hearing on 8 July 2014. In particular your comments that Member Kefford was

- Behaving in an inappropriate manner and lacked professionalism;
- Confrontational, discourteous, insensitive and lacked patience; and
- Often abrupt and yelled and shouted.

I have had the audio recording of your proceeding reviewed. That recording does not support any of your allegations.

I am not persuaded that there is any substance to your complaint.

Yours faithfully,

Justice Greg Garde AO RFD
President
