Deleting a recurring donation

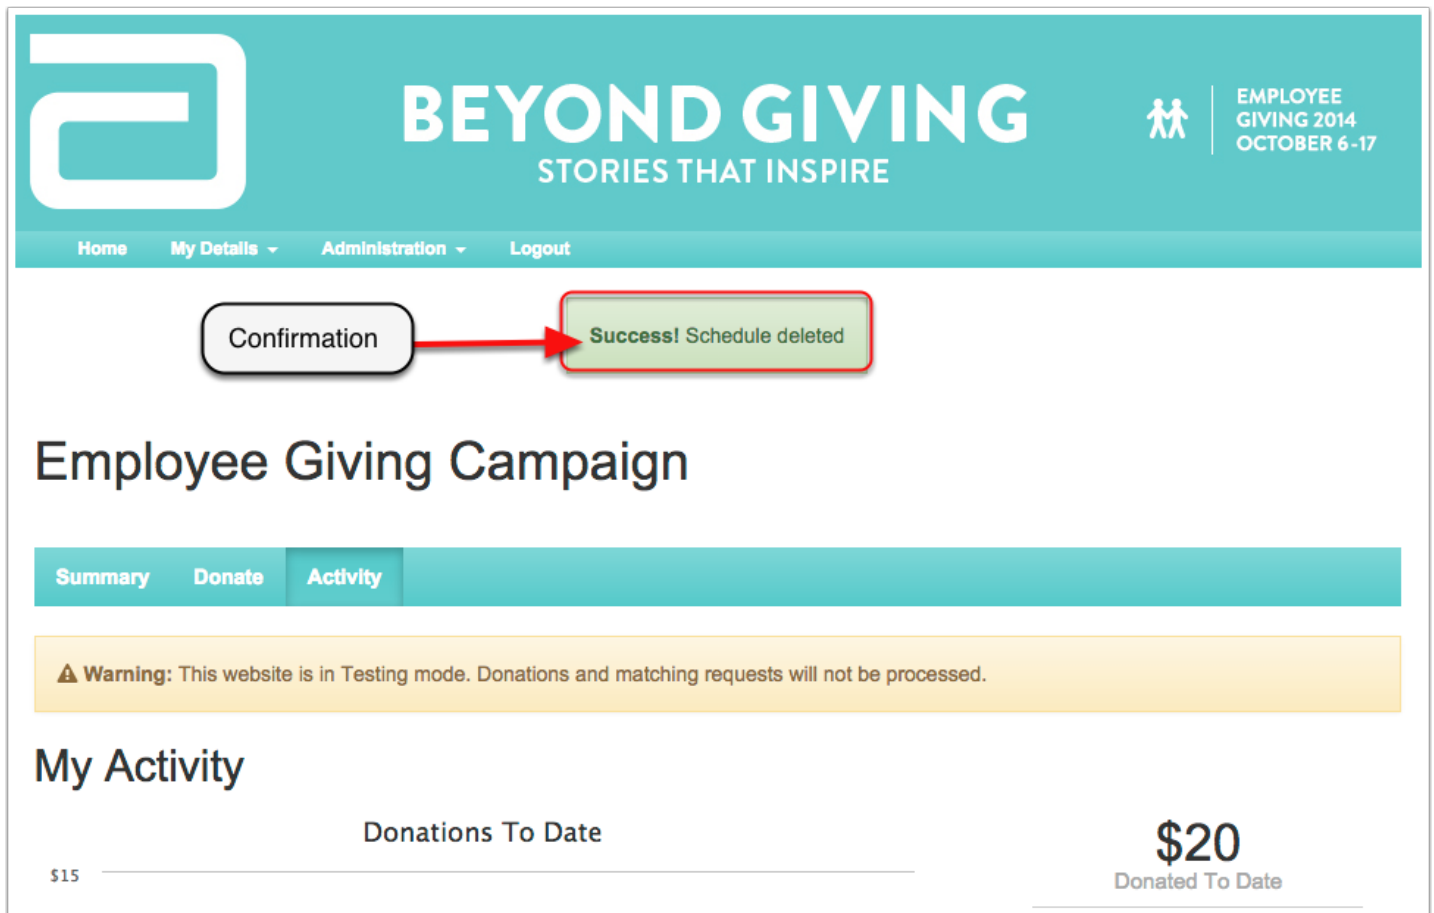

When you click the delete you will need to confirm to delete the donation. If you are sure click Delete.

A confirmation dialog box titled "Are you sure?" with a close button (X) in the top right corner. The text inside reads: "This will terminate this schedule and prevent any remaining donations from occurring, but it won't affect any that have already occurred." At the bottom, there are two buttons: "Cancel" and "Delete". A red arrow points from a callout box labeled "Click to Delete" to the "Delete" button.

Confirmation

When a recurring donation is deleted you will receive this confirmation.

The screenshot shows the "BEYOND GIVING" website header with the tagline "STORIES THAT INSPIRE" and a navigation bar with links: Home, My Details, Administration, and Logout. On the right, it says "EMPLOYEE GIVING 2014 OCTOBER 6-17". Below the header, a "Confirmation" callout box points to a green message box that says "Success! Schedule deleted". The main content area is titled "Employee Giving Campaign" and has tabs for "Summary", "Donate", and "Activity". A yellow warning banner states: "Warning: This website is in Testing mode. Donations and matching requests will not be processed." Below this, the "My Activity" section shows a progress bar for "Donations To Date" with a value of "\$15" and a target of "\$20". The target is labeled "Donated To Date".
