Searching and Signing up for Volunteering Events.

Users - Searching, Viewing and Filtering for events.

1. Filter for events.
2. Viewing events list and search results.
3. Click on the event for more information and functionality.

The screenshot displays a web interface for searching volunteering events. At the top, there is a search bar with a magnifying glass icon and a 'Search' button. Below this, the interface is divided into two main sections. On the left, a sidebar (callout 1) contains filters: 'Enter your location' with a text input showing 'San Diego, CA, United States'; 'Within a 25 mile range' with a slider; 'Filter by' with radio buttons for 'View Events In My Location' and 'View Events In All Location(s)'; 'Filter by date range' with date pickers for '01/01/2015' to '12/31/2015'; an 'UPDATE SEARCH' button with a right arrow; and a 'Refine By Tag' section with a 'Filters Applied:' label. On the right, the main content area (callout 2) shows tabs for 'Company Events' and 'Local Events'. Below the tabs, a yellow event card for 'Test Volunteer Event' is displayed, including details like 'San Diego, CA, United States', 'Starts: January 13, 2015 8:25 AM - Ends: January 14, 2015 8:25 AM', and 'test ...'. A red arrow points from a red 'Click' button (callout 3) to the event card. A mouse cursor is visible near the bottom right of the event card.
