The screenshot shows a web application interface with a navigation bar at the top containing links: Home, My Details, Administration, Logout, and FAQs. The user's name, Dean Martinez, is displayed on the right side of the navigation bar. Below the navigation bar, there is a prompt: "Do you have pictures or a good story from our community impact work? We would love to see our efforts in action. Please upload photos and share your thoughts below." A red box labeled "2" highlights a "+ New Post" button. To the right, a red box labeled "1" highlights a "Search Employee Profiles" section, which includes a search bar, an "Advanced Search" link, and a list of employee profiles: Chylon Pappas, Curtis Farnham, Jennafyr Peterson, Kasha Clark, Mark Plastino, Aaron Janssen, Aaron Farah, and Aaron Rehfield. Below the prompt, there is a section titled "Our Impact" with a sub-header "Champions of Hope, Man & Woman of the Year" and a date "September 4, 2014 3:25 pm". The text describes a campaign where candidates are nominated to compete for the Leukemia & Lymphoma Society's Champions of Hope, Man & Woman of the Year. It mentions that Mary Mashburn, San Jose Branch Manager, was nominated as the Woman of the Year in the Silicon Valley in 2013. It also states that every dollar raised counts as one vote for the candidate, and at the end of the ten-week campaign, the titles of Man and Woman of the Year are awarded. Mary had set her goal at \$30,000! With the help of the Employee Giving Program, Mary was able to exceed her goal! A photo of Mary Mashburn is shown at the bottom of the "Our Impact" section.
