Help Cleanup 33RD!

Community, Grunt Work

The City of Saint Paul is committed to recycling and reusing as much of the materials collected at these events as possible. For example, tires, appliances, scrap metal and electronics are all recycled; bikes collected at the event are restored and returned to the road for re-use. Furthermore, the city supports a monitored re-use area for residents to share usable household items with others. Participants using the drop-off sites are encouraged to check out the re-use area before heading home.

Fees

- General Load Fee: \$10-\$30, depending on size of vehicle
- Electronics: \$5 per item (including TVs, DVDs, VCRs, stereos, computer equipment)
- Tires: \$3 for car tires, \$5 for truck tires and \$10 for tractor tires
- Mattresses and Box Springs (all sizes): \$15 each
- Upholstered Furniture: \$5 per chair, \$7 per love seat, \$10 per couch, \$20 per hide-a-bed
- Appliances: \$20 per air conditioner; \$10 for dehumidifiers, microwaves, refrigerators, stoves, washer/dryers, water heaters, etc.

Feature Accomplishments

Military

FREEDOM STATION

As San Diego is home to the largest military community in the world, we are proud to assist Freedom Station in achieving their mission to help injured and disabled service members make the difficult transition into civilian life.

Operation Valentine

Hundreds of employees spread cheer to local military families by decorating more than 1,500 Valentine's Day cards and cookies as part of Operation Valentine. The gifts were distributed to several military organizations, including Freedom Station, Operation Homefront and the USO.

[Watch the Video](#)

Scholarships

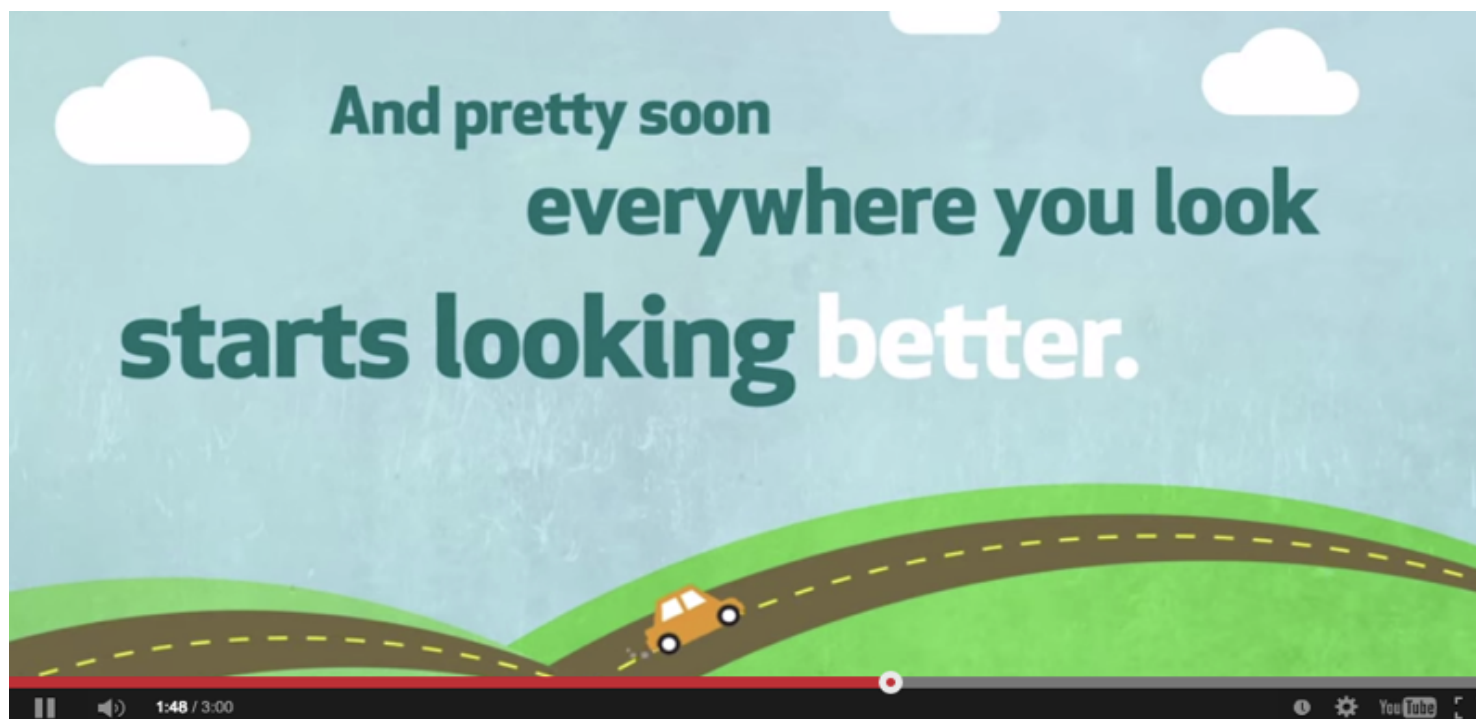

TEACHER APPRECIATION

For the fifth consecutive year, several San Diego County teachers received scholarships to earn their master's degrees at Ashford University and the recipients were honored during the San Diego Padres Teacher Appreciation Night at PETCO Park.
