Step-by-Step Instructions on How to Link an Audio, a Video or a PDF from the Internet or a Device to Your Americans All Heritage Honor Roll Legacy Story

Step 1(a)

On the Internet, search for the entry you want to link to your legacy story. Make a note of the URL so you can later upload the information to your legacy story. See page 7, step 5 to learn how to insert the image.

In this example, the URL you will need is:

www.bibleplaces.com/masada/

The screenshot shows a Google search results page for the query "Masada". The search bar at the top contains "Masada". Below the search bar, there are tabs for "All", "Maps", "Images", "Videos", "News", and "More". The "All" tab is selected. To the right of the tabs are "Settings" and "Tools" buttons. Below the tabs, it says "About 8,520,000 results (1.70 seconds)".

The first result is a link to "Masada - Wikipedia" with the URL <https://en.wikipedia.org/wiki/Masada>. The snippet below the link reads: "Masada (מַסָּדָה metsada "fortress") is an ancient fortification in the Southern District of Israel situated on top of an isolated rock plateau, akin to a mesa. Siege of Masada · Masada (disambiguation) · Horst and graben · Category:Masada".

The second result is a link to "Siege of Masada - Wikipedia" with the URL https://en.wikipedia.org/wiki/Siege_of_Masada. The snippet reads: "The siege of Masada was one of the final events in the First Jewish–Roman War, occurring from 73 to 74 CE on a large hilltop in current-day Israel. The siege ... Date: Late 72 – early 73 (traditional date); Late ... Result: Roman victory Location: Masada, Israel; 31°18'56"N 35°2...".

The third result is a link to "Masada - UNESCO World Heritage Centre" with the URL [whc.unesco.org/Culture/World Heritage Centre/The List](http://whc.unesco.org/Culture/World%20Heritage%20Centre/The%20List). The snippet reads: "Masada. Masada is a rugged natural fortress, of majestic beauty, in the Judaean Desert overlooking the Dead Sea. It is a symbol of the ancient kingdom of Israel, ...".

The fourth result is a link to "Masada Desert Fortress - Jewish Virtual Library" with the URL www.jewishvirtuallibrary.org/masada-desert-fortress. The snippet reads: "Masada (Hebrew for fortress) is a place of gaunt and majestic beauty that has become one of the Jewish people's greatest symbols as the place where the last ...".

The fifth result is a link to "Masada - The Israeli Mosaic" with the URL mosaic.lk.net/g-masada.html. The snippet reads: "Masada was Herod's royal citadel and later the last outpost of Zealots during the Jewish Revolt. The citadel was a site of the most dramatic and symbolic act in ...".

The sixth result, which is highlighted with a red box, is a link to "Masada (BiblePlaces.com) – BiblePlaces.com" with the URL www.bibleplaces.com/masada/. The snippet reads: "The summit of Masada sits 190 feet (59 m) above sea level and about 1,500 feet (470 m) above the level of the Dead Sea. The mountain itself is 1950 feet (610 ...".

Step 1(b)

If you have an **audio** or a **video** (e.g., a recording of a speech or eulogy or a movie about a family event) on your device that you want to upload, you must first obtain a URL for the desired file through a commercial service provider such as YouTube (<https://www.lifewire.com/how-to-use-youtube-2655498>), which is free, or Vimeo (<http://www.pcadvisor.co.uk/how-to/photo-video/how-share-videos-online-with-vimeo-3475613>), which has free and premium accounts.

If you have a **PDF** that contains documents and/or photographs on your device that you want to upload, you must first obtain a URL for the desired file. Following are commercial service provider you can use to obtain a URL:

- <http://www.pdfonline.com/pdf-sdk/>
- <https://www.keepandshare.com>
- <http://www.zamzar.com>

Step 1(c)

If you have nondigital media (e.g., old photos, videos and audio recordings), you must convert them to a file type that can be stored on your device before you can upload the media to your legacy story.

A list of the best photo scanning services of 2018 can be found at: <http://www.toptenreviews.com/services/multimedia/best-photo-scanning-services/>

Step 2

Go to your Americans All “Welcome Back” page
and select “Edit my legacy story.”

The screenshot shows the Americans All "Welcome Back" page. On the left, there's a sidebar with links for user account management, Legacy Partner Alliance, and various resources. The main content area has a section titled "Heritage Honor Roll Legacy Story" with a table. A red arrow points from the text above to the "Actions" column of the table, specifically highlighting the "Edit my legacy story" button, which is enclosed in a red box. Below the table, there are two sections: "Group, Business or Organization Legacy Partner Home Page(s)" and "School, Library or Historical Society Legacy Partner Home Page(s)".

Heritage Honor Roll Legacy Story

Group, Business or Organization Legacy Partner Home Page(s)

After designating a point of contact to manage their user account, businesses and nonprofit organizations participate in our program as Legacy Partners. They can generate home page(s)—in multiple languages, if desired—for each location or chapter/district on our Web site to share information about themselves, better connect with their clients and members and demonstrate their commitment to strengthening communities. They can use their home page(s) to host legacy stories published on our Heritage Honor Roll by those important to them, thus providing further exposure for these stories. Business Legacy Partners also share discounts on goods and services with other Legacy Partner and subscribers to our Social Legacy Network.

School, Library or Historical Society Legacy Partner Home Page(s)

A point of contact is required to act as an agent for a school, library or historical society so he or she can create a free legacy story on the education organization and share it on our Web-based Heritage Honor Roll. The education organization's legacy story can be published . . .

Step 3

When your story appears, click on “Modify/Update.”

The screenshot shows a legacy story for Allan S. Kullen. At the top, there's a navigation bar and a sidebar with a "Make a Difference, Get Involved TODAY!" section. In the main content area, there's a photo of Allan Kullen and a text box with his story. "Her name is Ester Baumgartner. Do you know her?" Allan Kullen had posed the question in a broken mixture of Hebrew and English to whoever would listen and could understand him. Allan had met Ester while on an archaeological dig at **Masada** in the Negev, Israel. All he knew by the time they parted ways was her name and the fact that she was staying in Tel Aviv. So, after finishing his work, he decided he would try to find her. He hitchhiked his way to Tel Aviv and, despite all odds, found her.

It was not just Ester that Allan found, however. "The odds were none-to-none that an American speaking Hebrew very poorly could venture to a foreign city and find some girl he met for two weeks on a mountaintop while knowing only her name. If I could accomplish that, I realized I could probably do anything I wanted to in life," he recalls.

Allan was born in Washington, DC, on February 20, 1942 to Eunice (Statland) and Sol **Kullen**, both

"Her name is Ester Baumgartner. Do you know her?" Allan Kullen had posed the question in a broken mixture of Hebrew and English to whoever would listen and could understand him. Allan had met Ester while on an archaeological dig at **Masada** in the Negev, Israel. All he knew by the time they parted ways was her name and the fact that she was staying in Tel Aviv. So, after finishing his work, he decided he would try to find her. He hitchhiked his way to Tel Aviv and, despite all odds, found her.

If I could accomplish that, I realized I could probably do anything I wanted to in life," he recalls.

Step 6

Highlight one or more words and click on .

This will bring up a pop-up box. The “Protocol” field is preset at **http://**, the designation commonly used for URLs on the Internet.

Step 6a

After you have inserted the URL, click on .

Note: If the URL you insert has the term **http://** at the front, our program will automatically delete it.

Step 7a

If you want to create a link to a legacy story that appears on our Heritage Honor Roll, we have created a shortcut you can use.

Using the down arrow in the Protocol box, scroll to “<other>” and insert the reference code (“/node/ID number”) for the legacy story of the individual or group you want to link to your legacy story. You will need to insert a front slash in front of the word node as well as between node and the 6-digit ID number.

Then click on .

Step 7(b)

It is also easy to link more than one legacy story from our Heritage Honor Roll to your legacy story. After your story has been published, create a one-line sentence at the bottom of each story for each link, as shown below. Use the linking instructions described in Steps “5” and “7(a).”

Sample format for an individual or a group legacy story in two languages:

Marie-Claire est enterrée à Norbeck/Judean Memorial Gardens à Olney, dans l'Etat du Maryland. Sa famille comme ses amis se souviendront avec affection de ce bout de femme, enjouée, avec son fort accent français. Une femme, une mère, une grand-mère, une sœur et une amie dévouée.

Marie-Claire is buried in Norbeck/Judean Memorial Gardens in Olney, MD. Family and friends will remember fondly this petite, vivacious woman with a heavy French accent as a devoted wife, mother, grandmother, sister and friend.

Sample format to connect two related legacy stories for an individual or a group:

Allan responded by forming a marketing and operations entity, the Americans All Benefit Corporation. Under the new structure, Americans All has become a Social Legacy Network that “connects the dots between life, legacy, education and the American Dream.”
