Registration Information for a School Point of Contact (poc)

1. Click on the “Create New User Account” link at the top of our “Homepage” americansall.org to set up a free “New User Account”. This gives you access to your personalized “Welcome Back” page that contains links to obtain all program benefits, some of which do not require membership in Americans All (AA).
2. Our program has two main components: AA and the Social Legacy Network (SLN). After an individual creates a “New User Account,” they have two options. They can register for a free lifetime membership in AA using their own email address, or become a point of contact for a Legacy Partner Alliance (LPA) entity—a school, nonprofit or a business—using the entity’s email address.

After an entity has joined the LPA, its point of contact can register the entity, through themselves as an individual, as a member of AA so it can create the entity’s story for the HHR. The 6-digit ID Number will be different for the AA member and its LPA entity. Importantly, we do not share, sell or publish personal contact information. Although the poc’s name is on the nonprofits Legacy Partner registration form, it does not appear when that page is published.
3. Tutorials are provided to assist nonprofits in navigating the site and its various functions.
See: <https://americansall.org/page/americans-all-web-site-tutorials>
4. The first step for a school is to appoint an individual with a “User Account” as an agent, or point of contact (poc), to fill out their registration information. For continuity, the poc should be a permanent employee of the school because he/she is the only person who can update a school’s Legacy Partner’s (LP) landing page(s) and its Heritage Honor Roll (HHR) stories.
5. Schools participate for in AA at no cost because they support our mission. They create a free landing page so they can receive funds from our Business Legacy Partners. The poc should ensure that the school’s 6-digit ID Number is made available to individuals and groups that raise money for the school. The school also has the option of allowing stories published on our HHR to be posted to their landing page.
6. Once the landing page has been created, the next step is for the poc is to create the stories for the HHR. Each AA member receives two stories in English and as many as they desire in foreign languages.
7. When the poc registers the school for AA, he/she automatically receives (on behalf of the school) a free, three-month trial membership in the Social Legacy Network. This enables the school to also receive discounts on goods and services from our program’s business partners through their poc’s account.

American All (AA) is a nonprofit community outreach and empowerment program. Our revenue-generating multipurpose storytelling tool helps leaders, at all levels, improve the mental, social and economic health of their constituents. The program uses a unique storytelling tool and its [Social Legacy Network](#) (SLN) to benefit students, community members, nonprofits, schools and local businesses—both socially and economically. It has two main components: a [Heritage Honor Roll](#) (HHR) that hosts stories created by its members, and [Legacy Partner](#) (LP) landing pages for businesses and nonprofits to share information about themselves, and if desired, host stories created by our members.

Lifetime membership in AA is free for all individuals, and it includes a three-month free trial in our SLN which enables them to get discounts on goods and services from our Business Legacy Partners (BLP). Students keep the free trial opportunity until their class graduates. After the trial period, AA members have the option to subscribe to our SLN for \$4 per month, cancelable at any time, to continue receiving discounts; 77 percent of their gross subscription fee is donated to a school or education organization they designate. If the school is not registered, the funds are donated to their district. It is anticipated that members will subscribe since they should gain more in discounts than the cost of their subscription. If a member does not opt to join the SLN, their lifetime membership in Americans All is unaffected.

Members will never be automatically billed for the optional Social Legacy Network fee after their free trial and can cancel their subscription at any time once they subscribe. No credit card is required to be put on file for the free trial. In addition, we do not store credit card data, share or sell our members' contact information, allow pop-up ads or of AI.

Stories on our HHR can be autobiographical or about individuals, families, groups or issues/topics, contain up to 2,000 words (1,000 can be password protected for privacy), and be augmented with images, logos, hyperlinks, photographs, and audio-video media. They can also be published in [multiple languages](#). In addition, membership includes creating a second story in English.

All stories can be easily updated and we archive all prior versions archived. Stories can be started by filling in only a few required fields and then be completed over time. In addition, members can also create a shorter version (up to 500 words) which can be printed in an 8½" x 11" format. Finally, AA provides step-by-step tutorials and easy-to-use templates to simplify the creative process.

Continued from page 4

What makes our program even more unique is that we include [historical information](#) to provide context for these stories and the experiences, observations and accomplishments reflected in them. Even though AA is no longer active in curriculum arenas, our online K–12 nonpolitical supplemental [classroom resources](#) presented in multiple perspectives, which were sold to more than 2,000 [schools](#) and libraries nationwide remain our site.

Storytelling helps families pass on knowledge and experiences to current and future generations. [Research](#) by the National Library of Medicine has shown that patterns of memory sharing begin early in one's life, informing relationships, one's history, and one's sense of cultural belonging. Intergenerational knowledge of one's family history is associated with [positive mental health, wholeness and well-being](#). Life stories are central to one's sense of self and the social world that they inhabit. Indeed, considerable research indicates that storytelling is fundamental to human development, cultural frameworks, and the cultivation of relationships.

Heritage Honor Roll Legacy Story, Individuals or Groups

Individuals or Groups become lifetime members of Americans All for free. A main benefit of membership is the ability to create and publish two stories in English—and as many as desired in multiple languages—for our Heritage Honor Roll. You will also receive a one-year free trial subscription in our Social Legacy Network (students keep their free trial until their class graduates). Your subscription enables you to receive discounts on goods and services from our program's business partners.

Americans All members will find it easy to start creating their legacy stories. Our template only requires individuals to fill in the honoree's name, date of birth (and date of passing, if appropriate) and a summary not to exceed . . .

Businesses and Nonprofit Legacy Partners

A point of contact is required to act as an agent so it can create a free landing page—in multiple languages if desired—on its entity. They can generate landing page(s)—in multiple languages, if desired—for each location or chapter/district on our website to share information about themselves, better connect with their clients and members and demonstrate their commitment to strengthening communities. They can use their landing page(s) to host legacy stories published on our Heritage Honor Roll by those important to them, thus providing further exposure for these stories. Business Legacy Partners . . .

Schools

A point of contact is required to act as an agent for a school so it can create a free landing page—in multiple languages if desired—on our website. This enables it to receive funds from our Business Legacy partners. The school has the option of allowing stories to be posted on their landing page. The point of contact can also create and publish free stories on the school on our web-based Heritage Honor Roll. The story can be published in multiple languages, if desired, and can be enhanced through photographs, and audio and video media. Even though Americans All is no longer active in the Social Studies, English-Language-Arts, or any curriculum arena, students participating in non-curriculum activities can access our online K–12 nonpolitical supplemental background resources presented in multiple perspectives, which were sold to more than 2,000 schools and libraries nationwide. Schools can also encourage students to create free Legacy Partner landing page(s) on themselves and their teams and clubs to briefly describe their activities. Moreover, an individual can be the point of contact for more than one organization. We identify our members only by their email address and Zip Code.

Register a School as a Legacy Partner for Americans All

Americans All is a socially conscious, nonprofit membership organization that uses a unique storytelling tool to benefit local businesses, schools, students and their communities. It has two main components: a [Heritage Honor Roll](#) that hosts stories created by its members, and [Legacy Partner](#) landing pages for businesses and nonprofits to share information about themselves, and if desired, host stories created by our members.

Click here for step-by-step instructions on “How to register a school as a Legacy Partner for Americans All.” There are three ways to register a school.

To register for Americans All, each school must designate a point of contact (poc) to serve as its agent, using the school's e-mail address. The individual does not have to be a member of Americans All to create a Legacy Partner landing page(s) for a school, and the individual can be a poc for more than one school. Our Legacy Partner landing pages enable viewers to see all the individual stories published on the Heritage Honor Roll that are associated with a school's teams or clubs. The school can opt out of having stories added to their page. Teams and clubs can create as many landing pages as desired. For example, landing pages could be created, on an annual basis, for each sports team, academic, social, community service or special interest clubs. Each landing page has a short summary about the team or club, an image and the stories written by its members. Students post their stories directly to these pages, but the Legacy Partner administrator can easily remove (or reinstate) any story they feel does not belong on their page.

The school automatically becomes a member of Americans All when the poc registers it. Although the poc's contact information appears on the registration pages for a school, his/her personal contact information is not shared or published, and we identify our members only by their e-mail address and Zip Code.

For greater visibility, the school's legacy partner story can be shared on the Americans All landing page(s) of other Legacy Partners. This can be done at any time by clicking on “Edit my legacy story” under the “Action” tab on the school's “Welcome Back” page.

*Non-academic activities include, but are not limited to, extra-curricular activities such as sports, performing arts, volunteerism, student government, and clubs that focus on topics such as academics, vocational and professional, service, arts and crafts, mechanical shops, hobbies, publications/media, languages, religion, and so on. They also include events like excursions and social outreach programs, to name a few. These activities provide a channel for reinforcing the lessons learned in the classroom, offering students the opportunity to apply academic skills in a real-world context, and thus help contribute to a well-rounded education. Our storytelling tool can be quite useful in many of these areas.

Add a Point of Contact for My School (see page 11)

A point of contact (poc) is required to enable a school to receive free benefits from the Americans All (AA) program. For continuity, the poc should be a school's permanent employee. This individual, acting as an agent for the school, must first create a free "User Account" for AA using the school's e-mail address. This will allow the poc to create the school's free Legacy Partner landing page(s). The poc can then use the link on the Welcome Back page to register the school for AA and create the school's group story for our web-based Heritage Honor Roll.

Americans All benefits:

- A free group legacy story—in multiple languages, if desired—on our web-based Heritage Honor Roll, including text, photographs, movies and other audio and video media. Links to the school's landing page(s) on our Legacy Partner Alliance landing page. Schools can use their landing page(s) to describe their activities and to host stories of past and current students, teachers, employees, members and their families. Each internal group can have its own free Americans All Legacy Partner landing page.
- Electronic access to the [AA background resources](#) that reflect the importance of diversity in our nation. Resources include our ethnic and cultural texts, music publication, period-specific photographs and posters.

School registration information:

To simplify the registration process, we have created a database of most of the schools in our nation, using the official name in its state's directory, and assigned each an AA 6-digit ID Number. However, many schools are identified by a shorter or more popular name, such as "Holy Child" for "Francis School of the Holy Child" or "PS 166" for the "Richard Rogers School of Arts & Technology." Moreover, having a database of schools will make it easier for businesses to locate a school they want to financially sponsor. **There are three ways to register a school, and each option has a separate page in this tutorial.**

1. If you know your school's Americans All ID Number (by having located it using the "**Find a School ID Number**" link on your "Welcome Back" page), enter it into the field below and click on "Add Point of Contact." This will take you directly to the registration page. This ID Number will appear on your Legacy Partner landing page and will be used by members to add their Heritage Honor Roll stories to your landing page.

If your school's address has changed since our database was created, you can update it on the Legacy Partner landing page template. Thank You for Becoming a School Legacy Partner

Education Organization qwrwqer has been created.

By registering as a School Legacy Partner, you can now receive funds from our Business Legacy Partners. Please give your 6-digit ID Number to your PTA or other groups that help you raise funds, so they can provide it to the business when it registers. Your school will receive at least 77 percent of their gross membership fee. We will send your agent, or point of contact (poc), information on how funds will be transferred to your school.

Your poc can now create and publish this landing page, at no cost, in as many foreign languages as you desire. In addition, your poc, now or at any time, can create and publish two stories in English and as many in multiple languages on your school as you desire. The stories can include text, photographs, audio/video media, and hyperlinks to other Web site pages. The legacy story will be published on our Heritage Honor Roll, and can updated, for free, at any time.

Moreover, please encourage your students to register themselves as members of Americans All. It will only require a name, email address and Zip Code. This will enable them to automatically become members of our Social Legacy Network for free until their class graduates, and qualify them to receive discounts on goods and services from our Business Legacy Partners. In addition, school clubs and teams can set up their own landing pages (using a separate email account) to host the stories of their members—thus creating a series of virtual yearbooks. Since these pages are electronic, they are easy to access, and if students keep their stories updated, it will be easy for members of each club or team to stay current on the activities of their classmates.

Your participation in our program supports students participating in non-curriculum school activities.

Click on "My Welcome Back Page" link at the top of the page to access additional program benefits. Your 6-digit ID Number appears at the bottom of your landing page listing.

Because schools and education organizations receive revenue from Americans All, they are a special category of Legacy Partner. A person or a Business/Nonprofit Legacy Partner can only sponsor one school or education organization, but a school or an education organization can have an unlimited number of sponsors. The school's landing page can be published in as many languages as desired.

If your school's address has changed since our database was created, you can update it on the Legacy Partner landing page template. That is the only address that will show up for your school on our website. Stories on our Heritage Honor Roll do not contain contact information unless the author chooses to add it.

Sample Heritage Honor Roll story for an individual

Allan S. Kullen, Author, Business

"Her name is Ester Baumgartner. Do you know her?" Allan Kullen had posed the question in a broken mixture of Hebrew and English to whoever would listen and could understand him. Allan had met Ester while on an archaeological dig at Masada in Negev, Israel. All he knew by the time they parted ways was her name and the fact that she was staying in Tel Aviv. So, after finishing his work, he decided he would try to find her. He hitchhiked his way to Tel Aviv and, despite all odds, found her. It was to play an important role in his life.

Allan S. Kullen, February 20, 1942 - 1994

Allan was born in Washington, DC, on February 20, 1942, to Eunice (Staland) and Sal Kullen, both originally from Baltimore, MD. His sister, Marian, was born two years later. He grew up in the DC metropolitan area. His father had built a successful career in the printing industry so, in 1959, after a very uneventful four years culminating in his high school graduation, Allan chose to attend the School of Printing Management at Carnegie Institute of Technology (CIT) in Pittsburgh, PA. Americans All features photographs and texts on the contributions that immigrants made to the nation's development when they came through Ellis Island. At the same time, he was printing for the [Coordinating Committee for Ellis Island](#), a nonprofit group focused on the same topic. This action rekindled the passion generated by his travels abroad, and he founded and became president of the People of America Foundation and became co-developer of its signature resource program, Americans All. The program consisted of printed texts and recordings, period-specific posters and photographs, simulations and teacher's guides, all developed by a team of scholars led by Americans All co-developer [Dr. Gail C. Christopher](#). Although Americans All was well received by the education community, its appeal was limited to classrooms devoted to teaching social studies. With the national emphasis shifting to support STEM programs, his foundation (Note: This story was excerpted and edited from an interview by Gordon Bernhardt, author of [Profiles in Success](#) (Volume 6): Inspiration from Executive Leaders in the Washington D.C. Cox-Hyson Home, Smithville, TX [Historic Building](#)

Cox-Hyson Home, Smithville, TX [Smithville Heritage Society] (c.1908-?) Historic Building

As a Bicentennial gift and through the generosity of Floyd R. "Skip" Hyson and his wife, Lucille, the newly-organized Smithville Heritage Society received the Cox-Hyson house as a permanent home for the Society in 1976. Built in 1908 for John Cox and his wife, Irene Wilkes Cox, the house was the family home of the John Cox family. Following John's untimely death in 1916, the house passed to his wife Irene, then their daughter Lillian Cox Hyson in 1952. Upon Lillian's death in 1976, the house went to her son, "Skip" Hyson, who then donated the house to the Smithville Heritage Society.

The home is listed on the [National Register of Historic Places](#) and has remained mostly unchanged since it was built except for minor interior changes and necessary restoration and maintenance work done by the Heritage Society. It sits in exactly the same location as when built. The wrap-around porch and tall iron columns with decorative corbels remind us of a typical two-story, early 1900s Victorian house, neo-classical in style. It is not "high Victorian," but "transitional," characterized by

wide verandas and wrap around porches, tall windows, and rooms with pocket doors. A white picket fence once enclosed the property in its early years.

On the first floor, there is a formal entry, parlor, dining room, bathroom, country kitchen and an enclosed porch, once a sleeping porch. The love

Allan Kullen

February 20, 1942 -

A Champion for Social History

Allan Kullen was born on February 20, 1942, in Washington, DC, and grew up in the area. His father had success in the printing industry, so Allan chose to attend the Carnegie Institute of Technology in Pittsburgh, PA, after graduating from high school in 1959. He graduated from its School of Printing Management in 1963.

To gain more business training, Allan then entered an MBA program at the University of California, Berkeley. During his first year, he met representatives of NEDS, a Dutch civil organization that organized student trips to Europe, and began putting out a daily newspaper for the eight-day crossing by sea. He also accepted an internship as a consultant for a printing company in Amsterdam. That fall, rather than returning home, he traveled extensively.

First time, he recognized the contribution that diverse cultures make to world history. Allan decided to enter the workforce rather than resume his schooling at Berkeley.

He worked as a marketing director for his father's printing firm, Kaufman Press, Inc. When his father's acquired by a public company, Publisher's Company, Inc. (Pubco), he went to work for Pubco, first as a salesperson and later joining its publishing division. When Pubco began to fail, Allan decided to build a future where he could better control his own destiny, especially since he was now a former Dutch citizen and they had two children, Allison and Todd. In 1974, he acquired the assets of a printing company and formed Todd Allan Printing Co., Inc., which he ran until 2013. During that period, company through internal sales and roll-up acquisitions of eight smaller firms, at its peak achieving annual sales and employment of 127.

At Pubco, he observed that some of its large printing vendors also owned commercial educational sites to teach the manufacturing strategy to Todd Allan. He set up his own publishing company in the by buying a program called *The First Experience*, which featured photographs and texts on the that immigrants entering through Ellis Island made to our nation's development. At the same time, he for the Coordinating Committee for Ellis Island, a similarly focused nonprofit group.

From his extensive travels and reinforcing his interest in history, Allan then founded and of the People of America Foundation and became a co-developer of its social studies resources. The program includes printed texts and recordings, period-specific posters and and an online and teacher's guides, all developed by a team of scholars led by Americans All co-developer Dr. Gail C. Christopher. More recent program components support excellence in social studies increasing access to high-quality resources for classrooms and professional development for teachers.

An asterisk () indicates a required field.*

[Click here](#) for step-by-step instructions on how to create a legacy story for an individual. You may want to print these instructions for future reference.

Use this template to create your honoree's legacy story in English. Once it is published in the Heritage Honor Roll, use the link under "Actions" on your "Welcome Back" page to "Create a legacy story in an additional language."

By capturing the text in all fields—except "Middle Name" and (Maiden Name)—on this template, our "Search Engine" will make it easier for members to locate your honoree's story. For the listing in Americans All, please add a hyphen if the first or last name has more than one word (e.g., Mary-Ann, Billy-Bob, Smith-Benson). This will enable our "Search Engine" to add the hyphenated words as a single name.

To ensure the legacy stories published on our Heritage Honor Roll do not contain inappropriate language, all text is filtered through a secure, third-party Profanity App. If a word or phrase used in your story is on its "block" list, you will receive an error message at the top of the template when you click on the "Publish My Story" button. If that occurs, replace the word or phrase by using its first and last letters and put an "x" for each letter in between, such as "sxxt" or "fxxk you."

We can override the App's list of blocked words. If you believe the "blocked" word is appropriate, contact us by e-mail. Put the word "Profanity" in the subject line. In the body of the e-mail, identify the "blocked word or phrase" and include the sentence in which it is used. If our editorial board agrees that the word or phrase is appropriate, we will remove the word or phrase from the App's block list and notify you so you can insert the desired word or phrase in your story.

Note: Each time you change your honoree's legacy story, you must click on "Publish My Story" or "Save My Language"

Create a legacy story or a landing page in an additional language.

[View published](#) [Modify/Update](#) [Revisions](#) **Create this page in an additional language**

Our Web site displays information in English using a standard Latin character set. At no additional cost, you can create your honoree's legacy story or a Legacy Partner's landing page in as many additional languages as you desire. However, each additional language cannot be used more than one time, except for those languages on the list that have been modified. To help you create either a story or a landing page, we have provided you with a copy of the English-language version to use as a guide. To create this new version, delete the English-language text and replace it with the new language text. Text and image fields that are not modified will remain the same as in the English-language version.

Similarly, you can post your Heritage Honor Roll stories to as many Legacy Partner landing pages as you desire, but each Legacy Partner landing page cannot accept more than one story from each member. Therefore, you must delete the 6-digit number of the landing page you selected for your English-language-version story from the new "additional language" template. This will not affect the English language version being posted to that Legacy Partner landing page.

To help you gain more exposure for your story, you can hyperlink all language-versions of your story to each other, or to the story of another member on our site.

[Click here](#) to learn how this can easily be done.

You can create your new story in two ways:

- If you can change your keyboard settings to the desired language, delete the English-language text and replace it with the new language text.
- If you cannot change your keyboard settings, prepare your honoree's story in the desired language offline and cut and paste it into the template to replace the English-language text

If you do not find the additional language you desire listed below, please [contact us](#) and put the word "Additional Language" in the subject line.

Note: Many words and expressions do not have the same meaning in all languages. To ensure your honoree's legacy story or Legacy Partner landing page in the new language carries the same meaning as the English-language version, we advise that you do not rely on an automatic translation app.

Language	Title	Status	Operations
English for second story	n/a	Not translated	Create a translation
Bengali	n/a	Not translated	Create a translation
Chinese, Simplified	n/a	Not translated	Create a translation
English		Published	edit
French	n/a	Not translated	Create a translation

This is a partial list of available languages. If the language you want to use is not listed, contact us and we will add it to the database.

To create a story in an additional language, click on the appropriate fields. After the edits have been made, click on “Publish My Story or Save My Work.*” (15) A “pop-up” (16) will show to confirm (17) your instruction regarding your story.

To assist you in creating your honoree's legacy story in an additional language, we have provided you a copy of the English-language version to use as a guide. To create this version of your story, delete the English-language text and replace it with the new language text. If a field is not changed, the data from the English version will remain. Moreover, since Legacy Partner landing pages can only accept one story from each member, delete the 6-digit number of the landing page you selected for your English-language-version story from this new “additional language” template. Your English language version of the story will not be affected.

To help you gain more exposure for your story, you can hyperlink all language-versions of your story to each other, or to the story of another member on our site. [Click here](#) to learn how this can easily be done.

Note: Each time you change your honoree's legacy story, you must click on “Publish My Story or Save My Work” or your changes will not be saved.

Americans All Website Tutorials

Americans All members will find it easy to start creating their life stories. Our template only requires individuals to fill in their names, pertinent dates and a summary not to exceed 80 words. Additional story text, hyperlinks and photographs can be added over time. The following tutorials will help you create and publish your legacy story. You can update your story at any time, for free, and all previous versions are archived.

There are four major roles that Americans All members can have. A person (an individual or a group for which he/she is affiliated), a nonprofit organization, a school or education (a specific form of a nonprofit organization), and a business or professional service provider (and their respective offices and locations). A person can also be an agent (or Point of Contact) for a nonprofit or business member but must register separately using that organization's email address. Registration tutorials for each of the roles are below.

Business Legacy Partners can host Heritage Honor Roll legacy stories of current and future clients and customers on their Americans All home page(s)—in multiple languages, if desired. If circumstances warrant, however, the business or practice can easily remove a story from its home page(s). By clicking on the “Edit” button on Americans All home page (B), you will be taken to a page to remove or reinstate a legacy story as well as update your Legacy Partner home page.

If your home page is open when a legacy story is added, the page must be refreshed in order for it to appear. Otherwise, it will automatically appear when you log in again.

To remove a story from a Legacy Partner home page, uncheck the box in front of the honoree's name (C) and click on the “Publish” button. The honoree's legacy story will remain in the Americans All electronic database, and the honoree's name will remain on the Legacy Partner's “Edit” page. The legacy story will not be visible to the public on this home page. A notice of removal will be automatically sent to the creator of the legacy story.

If the legacy story was removed in error and should continue to be included on this home page, place a check in the box in front of the honoree's name and click on the “Publish” button. A notice of reinstatement will be automatically sent to the creator of the legacy story.

Sample Nonprofit Legacy Partners & Issues/Topics Pages

All Legacy Partners receive a 6-digit ID Number when they register so their clients, members, friends and staff can easily find them on our site by putting the word “node” and that ID number after our web address—www.americansall.org/node/xxxxxx. Moreover, Legacy Partners can access Americans All logos and marketing materials to help advertise their membership in our program.

Nonprofit Legacy Partners (NLPs) participate in Americans All at no cost because they host, on their free Legacy Partner home page(s) on our website, legacy stories that members have published on our Heritage Honor Roll to provide further exposure for these stories. These home page(s)—one for each chapter/division/office and in multiple languages, if desired—share information about the organization and help it better connect with current and future members.

NLPs are listed on our Legacy Partner landing page and can be searched by name, language, category and location. To help individuals and groups that share a common interest but do not have a national organization, and to consolidate stories on historically relevant topics, we have added landing pages for these “issue/topics” in our Legacy Partner section. If an individual or a group creates a story about an issue/topic we have not identified, notify us via our [Contact page](#) and we can help create a landing page for that issue/topic.

Some of the major Categories (many have sub-pages) and Issues/Topics identified in our Legacy Partner section are:
