
SHARING YOUR BUSINESS STORY

Just like your Product Story will intrigue others to take a closer look at our products, your Business Story will attract others to consider joining your team!

Think about the questions below and then fill in the blanks using descriptive, personal, and emotional language. Then, rewrite your complete business story as a paragraph. It doesn't need to be perfect—you can always improve it during your Startup Meeting. If you are new to the business, focus on your vision for what this business will do in your life.

To create an effective business story, use this acronym: P.L.O.T.

- **Pain** – What is/was your background and what areas of your life were you dissatisfied with that made this business attractive to you?
- **Lesson** – What did you realize that you needed to do in order for things to get better? (ex. I realized we needed another stream of income in order to reduce financial stress.)
- **Opportunity** – What are the features of the Juice Plus+ Company that are exciting for you? Why is this an awesome opportunity for you? (i.e., I can fit it into my already busy schedule, while earning a part-time income.)
- **Triumph** – What have you already accomplished with your business or what are you going to accomplish that will be a triumph to celebrate? (i.e., pay off debt, be home with my children, etc.)
