## Registration Information for a Business or a Professional Service Provider's Point of Contact (poc)

1. Click on the "Create New User Account" link at the top of our "Homepage" [americansall.org](https://americansall.org) to set up a free "New User Account". This gives you access to your personalized "Welcome Back" page that contains links to obtain all program benefits. If the individual is registering to become a poc for an entity, they must use the entity's email address (which is how we identify our members). An individual can be a poc for more than one entity, since each entity will have own email address. The individual can later register for AA using their own email address.
2. Our program has three main components: a free, lifetime membership in AA to create a story for the Heritage Honor Roll (HHR); the Social Legacy Network (SLN), whose members receive discounts and access to all content; and the Legacy Partner Alliance which is composed of nonprofits and schools, plus businesses and professional service providers, who provide the discounts on goods and services to our SLN members. All AA members are given a free 3-month subscription to the SLN. After it expires, members (individuals and the poc acting on behalf of the entities) have an option to continue that subscription for a fee of \$4 per month, 77 percent of which is donated to a school of their choice. We believe that the member will gain more in discounts than they pay in their monthly fee. AA members do not have to create a story to be part of the SLN.
3. Businesses receive a landing page on our website—in multiple languages, if desired—to share information about themselves and to advertise discounts for current and future AA members. They also get three additional business accounts for free. These can be used for branch offices or to list your business under multiple categories at the same location. Renewals include the continuation of the three additional accounts. The additional accounts register by clicking on the "Add My Location" link on their Welcome Back page.
4. Your clients/customers can post their Heritage Honor Roll stories on your landing page, and you can post your own legacy story on the landing pages of other Legacy Partners to gain more exposure for the story. These stories can create or expand your affinity club. Make sure your staff and clients/customers know your 6-digit ID number, which will be different from that of the "Add my legacy story" entities that are affiliated with your entity.
5. Tutorials are provided to assist nonprofits in navigating the site and its various functions. See: <https://americansall.org/page/americans-all-web-site-tutorials>
6. The first step for an entity is to appoint a poc to fill out its registration information and create its landing page (LP). For continuity, the poc should be a permanent employee of the entity because only they can create and update the landing page and its HHR stories. After an entity becomes a Legacy Partner and has created its landing page, its poc can then register the entity for AA, using the entity's email address, in multiple languages and augmented with images, photographs and multi-media links, for the HHR. The stories can be about the entity or its founder. The 6-digit ID Number will be different for the Legacy Partner and its AA story. Importantly, we do not share, sell or publish personal contact information. Although the poc's name is on the entity's registration form, it does not appear when that page is published.

Continued on page 4

**Continued from page 3**

7. The poc should locate the school that the business chooses to sponsor by clicking on the “Find a School ID Number” link on your “Welcome Back” page. **For the pilot, since no revenue is involved, insert “999999” (six number 9’s) in the school field.**
8. The business can also receive discounts on goods and services from our other business partners through their poc’s account.
9. Businesses are automatically listed on both our [Discounts](#) page and our LPA landing pages, so Americans All members can identify those who are offering them discounts.
- 10 The poc should notify the entity’s locations or offices and encourage them to add themselves, for free, to the Business Legacy Partner account so they can be added to our LPA and Discounts landing pages. A link to do so is on the Welcome Back page and they must also know the exact name of the entity and its 6-digit ID Number to complete their registration

American All (AA) is a nonprofit community outreach and empowerment program. Our revenue-generating multipurpose storytelling tool helps leaders, at all levels, improve the mental, social and economic health of their constituents. The program uses a unique storytelling tool and its [Social Legacy Network](#) (SLN) to benefit students, community members, nonprofits, schools and local businesses—both socially and economically. It has two main components: a [Heritage Honor Roll](#) (HHR) that hosts stories created by its members, and [Legacy Partner](#) (LP) landing pages for businesses and nonprofits to share information about themselves, and if desired, host stories created by our members.

Lifetime membership in AA is free for all individuals, and it includes a three-month free trial in our SLN which enables them to get discounts on goods and services from our Business Legacy Partners (BLP). Students keep the free trial opportunity until their class graduates. After the trial period, AA members have the option to subscribe to our SLN for \$4 per month, cancelable at any time, to continue receiving discounts; 77 percent of their gross subscription fee is donated to a school or education organization they designate. If the school is not registered, the funds are donated to their district. It is anticipated that members will subscribe since they should gain more in discounts than the cost of their subscription. If a member does not opt to join the SLN, their lifetime membership in Americans All is unaffected.

Members will never be automatically billed for the optional Social Legacy Network fee after their free trial and can cancel their subscription at any time once they subscribe. No credit card is required to be put on file for the free trial. In addition, we do not store credit card data, share or sell our members' contact information, allow pop-up ads or of AI.

Stories on our HHR can be autobiographical or about individuals, families, groups or issues/topics, contain up to 2,000 words (1,000 can be password protected for privacy), and be augmented with images, logos, hyperlinks, photographs, and audio-video media. They can also be published in [multiple languages](#). In addition, membership includes creating a second story in English.

All stories can be easily updated and we archive all prior versions archived. Stories can be started by filling in only a few required fields and then be completed over time. In addition, members can also create a shorter version (up to 500 words) which can be printed in an 8½” x 11” format. Finally, AA provides step-by-step tutorials and easy-to-use templates to simplify the creative process.

### Continued from page 5

What makes our program even more unique is that we include [historical information](#) to provide context for these stories and the experiences, observations and accomplishments reflected in them. Even though AA is no longer active in curriculum arenas, our online K–12 nonpolitical supplemental [classroom resources](#) presented in multiple perspectives, which were sold to more than 2,000 [schools](#) and libraries nationwide remain our site.

Storytelling helps families pass on knowledge and experiences to current and future generations. [Research](#) by the National Library of Medicine has shown that patterns of memory sharing begin early in one’s life, informing relationships, one’s history, and one’s sense of cultural belonging. Intergenerational knowledge of one’s family history is associated with [positive mental health, wholeness and well-being](#). Life stories are central to one’s sense of self and the social world that they inhabit. Indeed, considerable research indicates that storytelling is fundamental to human development, cultural frameworks, and the cultivation of relationships.

## Heritage Honor Roll Legacy Story, Individuals or Groups

Individuals or Groups become lifetime members of Americans All for free. A main benefit of membership is the ability to create and publish two stories in English—and as many as desired in multiple languages—for our Heritage Honor Roll. You will also receive a one-year free trial subscription in our Social Legacy Network (students keep their free trial until their class graduates). Your subscription enables you to receive [Legacy Partner materials](#).

Americans All provides a template only (with a date of passing, if appropriate) and a summary not to exceed 60 words. Legacy story text, hyperlinks, photographs, and audio and video media can be added over time. The story can be updated for free and a shortened version can be printed on an 8½" x 11" template. To ensure privacy, part of the legacy story can be password protected. To provide additional story exposure, members can post it on the landing pages of as many of our Legacy Partners as desired. Where applicable, students can earn service-learning credits by participating in our program. . . .

**Click on this link to create the landing page. This should be done before creating a story for the Heritage Honor Roll.**

They can use their landing page(s) to host legacy stories published on our Heritage Honor Roll by those important to them, thus providing further exposure for these stories. Business Legacy Partners also offer discounts on goods and services with other Legacy Partners and subscribers to our Social Legacy Network. Businesses pay a fee of \$98 per year, and at least 77 percent is donated to a school of their choice.

## Become a Legacy Partner

Legacy Partners are businesses, professional service providers and nonprofit organizations whose missions reinforce our goals of enabling the creation and preservation of legacy stories, acknowledging the contributions of all Americans, supporting students participating in non-curriculum school activities, providing schools with a revenue-generation tool, and helping small businesses succeed. In response to current social issues, we have also made our unique storytelling tool available to support families who have lost a loved one to COVID-19 and to help unite our nation which has become severely polarized.

All Legacy Partners receive a 6-digit ID Number when they [register](#) so their clients, members, friends and staff can easily find them on our site by putting the word “node” and that ID number after our web address—[www.americansall.org/node/xxxxxx](http://www.americansall.org/node/xxxxxx). Moreover, Legacy Partners can access Americans All logos and marketing materials to help advertise their membership in our program.

Business Legacy Partners pay a \$49 fee that is renewable every 6 months. For this fee, you can:

- Receive free landing pages on our Web site—one for each location and in multiple languages, if desired—to share information about your business or practice and advertise discounts for current and future Americans All members.
- Get three additional business accounts at no charge. These can be used for branch offices or to list your business under multiple categories at the same location. Every renewal includes the continuation of the three additional business accounts. The additional accounts register by clicking on the “Add My Location” link on their Welcome Back page.
- Host, on your landing page(s), [legacy stories](#) that customers have published on our Heritage Honor Roll to provide further exposure for these stories. By doing so, you begin creating or expanding an affinity club for your business or practice.
- Be listed on both our [Discounts](#) page and our Legacy Partner landing page, so Americans All members can identify Business Legacy Partners offering discounts on goods and services.

Moreover, businesses benefit because stories directly impact emotions, and emotions rather than data change behavior and frequently determine decisions to buy. Good storytelling builds trust and connections. It influences people to believe in the products upon which they depend every day and encourages them to become customers and clients.

### Nonprofit Legacy Partners and Issues/Topics Index

Nonprofit Legacy Partners (NLPs) participate in Americans All at no cost because they host, on their free Legacy Partner landing page(s) on our website, [legacy stories](#) that members have published on our Heritage Honor Roll to provide further exposure for these stories. These landing page(s)—one for each chapter/division/office and in multiple languages, if desired—share information about the organization and help it better connect with current and future members.

NLPs are listed on our Legacy Partner landing page and can be searched by name, language, category and location. To help individuals and groups that share a common interest but are not represented by a national organization, such as families of Covid-19 victims and First Responders, and to consolidate stories on historically relevant topics, we have added landing pages for these [issues/topics](#) in our Legacy Partner section. If an individual or a group creates [\(1\)](#) out an issue/topic we have not identified, notify us via our Contact page and we can create a landing page for that issue/topic.

Now that you have set up your Legacy Partner landing page, you can become a free lifetime member of Americans All through your point of contact (poc) and create your story(s) for the Heritage Honor Roll. One could be on your founder and the other can more fully describe the organization itself. Research has shown that businesses benefit from storytelling because stories directly impact emotions, and emotions rather than data change behavior and frequently determine decisions to buy. Good storytelling builds trust and connections. It influences people to believe in the products upon which they depend every day and encourages them to become more active customers and clients.

Your Americans All membership also gives your point of contact a three-month free trial in our Social Legacy Network. This enables you, through your poc to receive discounts on goods and services from other business partners. Partner membership account differs from your business account; the landing page and the story will have different ID Numbers. Since the Heritage Honor Roll is only for individuals, you are joining through your poc contact and he/she can access discounts for your business or practice from other Legacy Partners on your behalf.

We are currently updating the registration process for the Heritage Honor Roll. It was created in 2011. (Think about using a cell phone or computer today that was built in 2011, using the technology of that time.) Because of that inconvenience, we have waived your membership fee for three months and this will help you plan on the most effective way to use Americans All to increase your traffic.

Once the upgrade is completed, using current technology, and security updates, and is compatible with modern software, we will contact you. In the interim, you can decide on which school to support. If there is more than one school in your area, you can make your membership fee (77 percent of which goes to a school) to the school district.

Click on the "My Welcome Back Page" at the top of this page to continue accessing program benefits.

## You will receive this email confirming your registration.

Welcome to the Americans All Legacy Partner Alliance.

**Business Legacy Partners** pay a \$49 fee every 6 months. During the pilot phase, businesses are free for their first three months. For this fee, they can:

- Receive free [landing pages](#) on our Web site—one for each location and in multiple languages, if desired—to share information about their business or practice and advertise discounts for current and future Americans All members.
- Get three additional business accounts at no charge. These can be used for branch offices or to list your business under multiple categories at the same location. Every renewal includes the continuation of the three additional business accounts. The additional accounts register by clicking on the "Add My Location" link on their Welcome Back page.
- Host, on your landing page(s), legacy stories that clients and customers have published on our Heritage Honor Roll to provide further exposure for these stories. By doing so, you begin creating or expanding an affinity club for your business or practice.
- Be listed on both our "Discounts" page and our Legacy Partner Alliance landing page, so Americans All members can identify Business Legacy Partners offering discounts on goods and services.

Moreover, businesses benefit because stories directly impact emotions, and emotions rather than data change behavior and frequently determine decisions to buy. Good storytelling builds trust and connections. It influences people to believe in the products upon which they depend every day and encourages them to become customers and clients.

Your participation in Americans All supports students participating in non-curriculum school activities, helps them gain a more well-rounded education, and reinforces your goal of supporting your community.

Allan S. Kullen Author: Business  
President, Social Entrepreneur, President

"Her name is Ester Baumgartner. Do you know her?" Allan Kullen had posed the question in a broken mixture of Hebrew and English to whoever would listen and could understand him. Allan had met Ester while on an archaeological dig at Masada in Nagov, Israel. All he knew by the time they parted ways was her name and the fact that she was staying in Tel Aviv. So, after finishing his work, he decided he would try to find her. He hitchhiked his way to Tel Aviv and, despite all odds, found her. It was to play an important role in his life.

Allan was born in Washington, DC, on February 20, 1942, to Eunice (Stalard) and Sal Kullen, both originally from Baltimore, MD. His sister, Marian, was born two years later. He grew up in the DC metropolitan area. His father had built a successful career in the printing industry so, in 1959 after a very uneventful four years culminating in his high school graduation, Allan chose to attend the School of Printing Management at Carnegie Institute of Technology (CIT) in Pittsburgh, PA.

Americans All features photographs and texts on the contributions that immigrants made to the nation's development when they come through Ellis Island. At the same time, he was printing for the Coordinating Committee for Ellis Island, a nonprofit group focused on the same topic. This action rekindled the passion generated by his travels abroad, and he founded and became president of the People of America Foundation and became co-

**Civil War: Fifty-Fourth Massachusetts Volunteer Infantry Regiment, 54th Carney, Glory, Hallowell, Medal of Honor, Military, Shaw, Fort Wagner**

On January 20, 1863, Secretary of War Edwin M. Stanton authorized Massachusetts Governor John Alibon Andrew to create volunteer companies of artillery "for duty in the forts of Massachusetts and elsewhere, and such corps of infantry for the voluntary military service as he may find convenient. Such volunteers to be enlisted for three years unless sooner discharged, and may include persons of African descent organized into separate corps."

On February 2, the Governor sent a letter to Francis G. Shaw, a prominent Boston abolitionist, to enlist his help in convincing Shaw's son, Captain Robert Gould Shaw, to command the 54th Massachusetts Volunteer Infantry. It would become the first regular army regiment of African American soldiers raised in the North. Captain Shaw, a commissioned officer in the Union Army, telegraphed his acceptance. Born in Boston on October 10, 1837, and admitted to Harvard College in 1860, Shaw had discontinued his studies in the third year to join the army. He entered the 7th New York National Guard, then received a commission as second lieutenant in the 2nd Massachusetts Infantry, and was later promoted to captain. As a result of his appointment to command the 54th Massachusetts Regiment, he received the rank of colonel.

Once his appointment was confirmed, Shaw began to recruit his soldiers. He was assisted by Lt. Colonel Northwood Hallowell (see his story below) and the regiment became their training at Camp Meigs. Although Shaw was not convinced about the fighting qualities of this new regiment, he was impressed with their dedication and devotion to the task. Throughout his career, he devoted himself to proving that his African American soldiers were just as brave and capable as their white counterparts.

## Sample of an 8 1/2 " x 11" print version of a Heritage Honor Roll story

**A Champion for Social History**

Allan Kullen  
February 20, 1942 -

Allan Kullen was born on February 20, 1942, in Washington, DC, and grew up in the area. His father had success in the printing industry, so Allan chose to attend the Carnegie Institute of Technology in Pittsburgh, PA, after graduating from high school in 1959. He graduated from its School of Printing Management in 1963.

To gain more business training, Allan then entered an M.B.A. program at the University of California, Berkeley. During his first year, he met representatives of HBSB, a Dutch travel and vacation club that organized student trips to Europe, and began printing out a daily newspaper for the eight-day crossing by sea. He also accepted an internship as a consultant for a printing company in Amsterdam. That fall, rather than returning home, he traveled extensively where, for the first time, he recognized the contributions that diverse cultures make to world history. Allan subsequently decided to enter the workforce rather than resume his schooling at Berkeley.

He began his career as marketing director for his father's printing firm, Kaufman Press, Inc. When his father's company, Inc. (Pulco), he went to work for Pulco, first as a publishing division. When Pulco began to fail, Allan took control his own destiny, especially since he was now a single man. In 1974, he acquired the assets of a printing Co., Inc., which he ran until 2013. During that period, he acquired eight smaller firms, at its peak achieving

**A different template will be used for a group story.**

*An asterisk (\*) indicates a required field.*

[Click here](#) for step-by-step instructions on how to create a legacy story for an individual. You may want to print these instructions for future reference

Use this template to create your honoree's legacy story in English. Once it is published in the Heritage Honor Roll, use the link under "Actions" on your "Welcome Back" page to "Create a legacy story in an additional language."

By capturing the text in all fields on this template, our "Search Engine" will make it easier for members to locate your honoree's story.

To ensure the legacy stories published on our Heritage Honor Roll do not contain inappropriate language, all text is filtered through a secure, third-party Profanity App. If a word or phrase used in your story is on its "block" list, you will receive an error message at the top of the template when you click on the "Publish My Story" button. If that occurs, replace the word or phrase by using its first and last letters and put an "x" for each letter in between, such as "sxxt" or "fxxx you."

We can override the App's list of blocked words. If you believe the "blocked" word is appropriate, contact us by e-mail. Put the word "Profanity" in the subject line. In the body of the e-mail, identify the "blocked word or phrase" and include the sentence in which it is used. If our editorial board agrees that the word or phrase is appropriate, we will remove the word or phrase from the App's block list and notify you so you can insert the desired word or phrase in your story.

**Note: Each time you change your honoree's legacy story, you must click on "Publish My Story" or "Save My Work."**

## Create a legacy story or a landing page in an additional language.

[View published](#) [Modify/Update](#) [Revisions](#) **Create this page in an additional language**

Our Web site displays information in English using a standard Latin character set. At no additional cost, you can create your honoree's legacy story or a Legacy Partner's landing page in as many additional languages as you desire. However, each additional language cannot be used more than one time, except for those languages on the list that have been modified. To help you create either a story or a landing page, we have provided you with a copy of the English-language version to use as a guide. To create this new version, delete the English-language text and replace it with the new language text. Text and image fields that are not modified will remain the same as in the English-language version.

Similarly, you can post your Heritage Honor Roll stories to as many Legacy Partner landing pages as you desire, but each Legacy Partner landing page cannot accept more than one story from each member. Therefore, you must delete the 6-digit number of the landing page you selected for your English-language-version story from the new "additional language" template. This will not affect the English language version being posted to that Legacy Partner landing page.

To help you gain more exposure for your story, you can hyperlink all language-versions of your story to each other, or to the story of another member on our site.

[Click here](#) to learn how this can easily be done.

You can create your new story in two ways:

- If you can change your keyboard settings to the desired language, delete the English-language text and replace it with the new language text.
- If you cannot change your keyboard settings, prepare your honoree's story in the desired language offline and cut and paste it into the template to replace the English-language text

If you do not find the additional language you desire listed below, please [contact us](#) and put the word "Additional Language" in the subject line.

Note: Many words and expressions do not have the same meaning in all languages. To ensure your honoree's legacy story or Legacy Partner landing page in the new language carries the same meaning as the English-language version, we advise that you do not rely on an automatic translation app.

Language	Title	Status	Operations
<b>English for second story</b>	n/a	Not translated	<a href="#">Create a translation</a>
Bengali	n/a	Not translated	<a href="#">Create a translation</a>
Chinese, Simplified	n/a	Not translated	<a href="#">Create a translation</a>
English	(22)	Published	<a href="#">edit</a>
French	n/a	Not translated	<a href="#">Create a translation</a>

**This is a partial list of available languages. If the language you want to use is not listed, contact us and we will add it to the database.**

To create a story in an additional language, click on the appropriate fields. After the edits have been made, click on “Publish My Story or Save My Work.\*” (23) A “pop-up” (24) will show to confirm (25) your instruction regarding your story.

## Create My Honoree’s Story in an Additional Language.

An asterisk (\*) indicates a required field.

[Click here](#) for step-by-step instructions on how to create a legacy story for an individual in an additional language. You may want to print these instructions for future reference.

To assist you in creating your honoree’s legacy story in an additional language, we have provided you a copy of the English-language version to use as a guide. To create this version of your story, delete the English-language text and replace it with the new language text. If a field is not changed, the data from the English version will remain. Moreover, since Legacy Partner landing pages can only accept one story from each member, delete the 6-digit number of the landing page you selected for your English-language-version story from this new “additional language” template. Your English language version of the story will not be affected.

To help you gain more exposure for your story, you can hyperlink all language-versions of your story to each other, or to the story of another member on our site. [Click here](#) to learn how this can easily be done.

**Note:** Each time you change your honoree’s legacy story, you must click on “Publish My Story or Save My Work” or your changes will not be saved.

## Sample Americans All Website Tutorials

Americans All members will find it easy to start creating their life stories. Our template only requires individuals to fill in their names, pertinent dates, and a summary that does not exceed 60 words. Additional story text, hyperlinks, and photographs can be added over time. The following tutorials will help you create and publish your legacy story. You can update your story anytime, for free; all previous versions are archived.

**There are four major roles that Americans All members can have. A person (an individual or a group for which he/she is affiliated), a nonprofit organization, a school or education (a specific form of a nonprofit organization), and a business or professional service provider (and their respective offices and locations). A person can also be an agent (or Point of Contact) for a nonprofit or business member but must register separately using that organization's email address. Registration tutorials for each of the roles are below.**

Business Legacy Partners can host Heritage Honor Roll legacy stories of current and future clients and customers on their Americans All home page(s)—in multiple languages, if desired. If circumstances warrant, however, the business or practice can easily remove a story from its home page(s). By clicking on the “Edit” button on Americans All home page (B), you will be taken to a page to remove or reinstate a legacy story as well as update your Legacy Partner home page.

If your home page is open when a legacy story is added, the page must be refreshed in order for it to appear. Otherwise, it will automatically appear when you log in again.

To remove a story from a Legacy Partner home page, uncheck the box in front of the honoree's name (C) and click on the “Publish” button. The honoree's legacy story will remain in the Americans All electronic database, and the honoree's name will remain on the Legacy Partner's “Edit” page. The legacy story will not be visible to the public on this home page. A notice of removal will be automatically sent to the creator of the legacy story. (C)

If the legacy story was removed in error and should continue to be included on this home page, place a check in the box in front of the honoree's name and click on the “Publish” button. A notice of reinstatement will be automatically sent to the creator of the legacy story. (C)
