Registration Information for a Business or a Professional Service Provider Point of Contact (poc)

1. Click on the “Create New User Account” link at the top of our “Homepage” americansall.org to set up a free “New User Account”. This gives you access to your personalized “Welcome Back” page that contains links to obtain all program benefits, some of which do not require membership in Americans All (AA).
2. Our program has two main components: AA and the Social Legacy Network (SLN). After an individual creates a “New User Account,” they have two options. They can register as a free lifetime member in AA using their own email address, or become a point of contact (poc) for a Legacy Partner Alliance (LPA) entity—a school, nonprofit or a business—using the entity’s email address.
3. Businesses receive free landing pages on our website—one for each location and in multiple languages, if desired—to share information about their business or practice and to advertise discounts for current and future AA members. They also get three additional business accounts at no charge. These can be used for branch offices or to list your business under multiple categories at the same location. Renewals include the continuation of the three additional business accounts. The additional accounts register by clicking on the "Add My Location" link on their Welcome Back page.
4. Tutorials are provided to assist nonprofits in navigating the site and its various functions. See: <https://americansall.org/page/americans-all-web-site-tutorials>
5. Your organization does not have to be a member of Americans All to create your Legacy Partner landing page. Your clients/customers can post their Heritage Honor Roll stories on your landing page, and you can post your own legacy story on the landing pages of other Legacy Partners to gain more exposure for the story. Make sure your staff and clients/customers know your 6-digit ID number, which will be different from that of the “Add my legacy story” entities that are affiliated with your entity.
5. The first step is for an entity is to appoint an individual as an agent, or point of contact (poc), to fill out their registration information. For continuity, the poc should be a permanent employee of the entity because he/she is the only person who can create, publish and update a businesses landing page(s) and its Heritage Honor Roll (HHR) story.
6. Second, the poc should create the businesses LPA landing page(s), which hosts legacy stories that customers, staff and clients have published on our HHR to provide further exposure for these stories. By doing so, an affinity club for the business is created or expanded.
7. Third, the poc can now register the entity as a member of AA, which enabled the entity, through the poc, to get the three-month free trial in our Social Legacy Network. Now the business can also receive discounts on goods and services from our other business partners through their poc’s account.
8. Fourth, the poc should locate the school that the business chooses to sponsor by clicking on the “Find a School ID Number” link on your “Welcome Back” page.
9. Businesses are automatically listed on both our Discounts page and our LPA landing pages, so Americans All members can identify those who are offering them discounts.
- 10 The poc should notify the entity’s locations or offices and encourage them to add themselves, for free, to the Business Legacy Partner account so they can be added to our LPA and Discounts landing pages. A link to do so is on the Welcome Back page

American All (AA) is a nonprofit community outreach and empowerment program. Our revenue-generating multipurpose storytelling tool helps leaders, at all levels, improve the mental, social and economic health of their constituents. The program uses a unique storytelling tool and its [Social Legacy Network](#) (SLN) to benefit students, community members, nonprofits, schools and local businesses—both socially and economically. It has two main components: a [Heritage Honor Roll](#) (HHR) that hosts stories created by its members, and [Legacy Partner](#) (LP) landing pages for businesses and nonprofits to share information about themselves, and if desired, host stories created by our members.

Lifetime membership in AA is free for all individuals, and it includes a three-month free trial in our SLN which enables them to get discounts on goods and services from our Business Legacy Partners (BLP). Students keep the free trial opportunity until their class graduates. After the trial period, AA members have the option to subscribe to our SLN for \$4 per month, cancelable at any time, to continue receiving discounts; 77 percent of their gross subscription fee is donated to a school or education organization they designate. If the school is not registered, the funds are donated to their district. It is anticipated that members will subscribe since they should gain more in discounts than the cost of their subscription. If a member does not opt to join the SLN, their lifetime membership in Americans All is unaffected.

Members will never be automatically billed for the optional Social Legacy Network fee after their free trial and can cancel their subscription at any time once they subscribe. No credit card is required to be put on file for the free trial. In addition, we do not store credit card data, share or sell our members' contact information, allow pop-up ads or of AI.

Stories on our HHR can be autobiographical or about individuals, families, groups or issues/topics, contain up to 2,000 words (1,000 can be password protected for privacy), and be augmented with images, logos, hyperlinks, photographs, and audio-video media. They can also be published in [multiple languages](#). In addition, membership includes creating a second story in English.

All stories can be easily updated and we archive all prior versions archived. Stories can be started by filling in only a few required fields and then be completed over time. In addition, members can also create a shorter version (up to 500 words) which can be printed in an 8½” x 11” format. Finally, AA provides step-by-step tutorials and easy-to-use templates to simplify the creative process.

Continued from page 4

What makes our program even more unique is that we include [historical information](#) to provide context for these stories and the experiences, observations and accomplishments reflected in them. Even though AA is no longer active in curriculum arenas, our online K–12 nonpolitical supplemental [classroom resources](#) presented in multiple perspectives, which were sold to more than 2,000 [schools](#) and libraries nationwide remain our site.

Storytelling helps families pass on knowledge and experiences to current and future generations. [Research](#) by the National Library of Medicine has shown that patterns of memory sharing begin early in one’s life, informing relationships, one’s history, and one’s sense of cultural belonging. Intergenerational knowledge of one’s family history is associated with [positive mental health, wholeness and well-being](#). Life stories are central to one’s sense of self and the social world that they inhabit. Indeed, considerable research indicates that storytelling is fundamental to human development, cultural frameworks, and the cultivation of relationships.

Become a Legacy Partner

Legacy Partners are businesses, professional service providers and nonprofit organizations whose missions reinforce our goals of preserving legacy stories, acknowledging the contributions of immigrants, supporting social studies instruction and helping small businesses succeed. In response to current social issues, we have repurposed our unique storytelling tool to also support families who have lost a loved one to Covid-19 and to help [unite our nation](#) which has become severely polarized due to the lack of serious conversations about systemic racism.

All Legacy Partners receive a 6-digit ID Number when they [register](#) so their clients, members, friends and staff can easily find them on our site by putting the word “node” and that ID number after our web address—www.americansall.org/node/xxxxxx. Moreover, Legacy Partners can access Americans All logos and marketing materials to help advertise their membership in our program.

Business Legacy Partners pay a \$49 fee that is renewable every 6 months. For this fee, you can:

Nonprofit Legacy Partners and Issues/Topics Index

Nonprofit Legacy Partners (NLPs) participate in Americans All at no cost because they host, on their free Legacy Partner landing page(s) on our website, [legacy stories](#) that members have published on our Heritage Honor Roll to provide further exposure for these stories. These landing page(s)—one for each chapter/division/office and in multiple languages, if desired—share information about the organization and help it better connect with current and future members.

NLPs are listed on our Legacy Partner landing page and can be searched by name, language, category and location. To help individuals and groups that share a common interest but are not represented by a national organization, such as families of Covid-19 victims and First Responders, and to consolidate stories on historically relevant topics, we have added landing pages for these [issues/topics](#) in our Legacy Partner section. If an individual or a group creates a story about an issue/topic we have not identified, notify us via our Contact page and we can create a landing page for that issue/topic.

Now that you have set up your Legacy Partner landing page, you can become a free lifetime member of Americans All through your point of contact (poc) and create your story(s) for the Heritage Honor Roll. One could be on your founder and the other can more fully describe the organization itself. Research has shown that businesses benefit from storytelling because stories directly impact emotions, and emotions rather than data change behavior and frequently determine decisions to buy. Good storytelling builds trust and connections. It influences people to believe in the products upon which they depend every day and encourages them to become more active customers and clients.

Your Americans All membership also gives your point of contact a three-month free trial in our Social Legacy Network. This enables you, through your poc to receive discounts on goods and services from other business partners. Partner membership account differs from your business account; the landing page and the story will have different ID Numbers. Since the Heritage Honor Roll is only for individuals, you are joining through your poc contact and he/she can access discounts for your business or practice from other Legacy Partners on your behalf.

We are currently updating the registration process for the Heritage Honor Roll. It was created in 2011. (Think about using a cell phone or computer today that was built in 2011, using the technology of that time.) Because of that inconvenience, we have waived your membership fee for three months and this will help you plan on the most effective way to use Americans All to increase your traffic.

Once the upgrade is completed, using current technology, and security updates, and is compatible with modern software, we will contact you. In the interim, you can decide on which school to support. If there is more than one school in your area, you can make your membership fee (77 percent of which goes to a school) to the school district.

Sample Heritage Honor Roll story for an individual

Allan S. Kullien, Author, Publisher

"Her name is Ester Baumgartner. Do you know her?" Allan Kullien had posed the question in a broken mixture of Hebrew and English to whoever would listen and could understand him. Allan had met Ester while on an archaeological dig at *Massada* in Negev, Israel. All he knew by the time they parted ways was her name and the fact that she was staying in Tel Aviv. So, after finishing his work, he decided he would try to find her. He hitchhiked his way to Tel Aviv and, despite all odds, found her. It was to play an important role in his life.

Allan S. Kullien, February 20, 1942 - 2016

Allan was born in Washington, DC, on February 20, 1942, to Eunice (Stotland) and Sol Kullien, both originally from Baltimore, MD. His sister, Marian, was born two years later. He grew up in the DC metropolitan area. His father had built a successful career in the printing industry so, in 1959, after a very uneventful four years culminating in his high school graduation, Allan chose to attend the School of Printing Management at *Carnegie Institute of Technology* (CIT) in Pittsburgh, PA. Americans All features photographs and texts on the contributions that immigrants made to the nation's development when they come through Ellis Island. At the same time, he was printing for the *Coordinating Committee for Ellis Island*, a nonprofit group focused on the same topic. This action rekindled the passion generated by his travels abroad, and he founded and became president of the People of America Foundation and became co-developer of its signature resource program, Americans All. The program consisted of printed texts and recordings, period-specific posters and photographs, simulations and teacher's guides, all developed by a team of scholars led by Americans All co-developer *Dr. Gail C. Christopher*. Although Americans All was well received by the education community, its appeal was limited to classrooms devoted to teaching social studies. With the national emphasis shifting to support STEM programs, his foundation (Note: This story was excerpted and edited from an interview by Gordon Bernardi, author of *Profiles in Success* (Volume 6): Inspiration from Executive Leaders in the Washington D.C. Area.)

Cox-Hyson Home, Smithville, TX *Historic Building*

Cox-Hyson Home, Smithville, TX [Smithville Heritage Society] (c.1908-?) Historic Building

As a Bicentennial gift and through the generosity of Floyd R. "Skip" Hyson and his wife, Lucille, the newly-organized Smithville Heritage Society received the Cox-Hyson house as a permanent home for the Society in 1976. Built in 1908 for John Cox and his wife, Irene Wilkes Cox, the house was the family home of the John Cox family. Following John's untimely death in 1916, the house passed to his wife Irene, then their daughter Lillian Cox Hyson in 1926. Upon Lillian's death in 1976, the house went to her son, "Skip" Hyson, who then donated the house to the Smithville Heritage Society.

The home is listed on the *National Register of Historic Places* and has remained mostly unchanged since it was built except for minor interior changes and necessary restoration and maintenance work done by the Heritage Society. It sits in exactly the same location as when built. The wrap-around porch and tall iron columns with decorative corbels remind us of a typical two-story, early 1900s Victorian house, neo-classical in style. It is not "high Victorian," but "transitional," characterized by wide verandas and wrap around porches, tall windows, and rooms with pocket doors. A white picket fence once enclosed the property in its early years.

On the first floor, there is a formal entry, parlor, dining room, bathroom, country kitchen and an enclosed porch, once a sleeping porch. The living room is on the second floor.

A Champion for Social History

Allan Kullien

His father had access to the printing industry, so Allan chose to attend the Carnegie Institute of Technology in Pittsburgh, PA, after graduating from high school in 1959. [Click here](#) for step-by-step instructions on how to create a legacy story for an individual. You may want to print these instructions for future reference.

Use this template to create your honoree's legacy story in English. Once it is published in the Heritage Honor Roll, use the link under "Actions" on your "Welcome Back" page to "Create a legacy story in an additional language."

By capturing the text in all fields—except "Middle Name" and (Maiden Name)—on this template, our "Search Engine" will make it easier for members to locate your honoree's story. For the listing in Americans All, please add a hyphen if the first or last name has more than one word (e.g., Mary-Ann, Billy-Bob, Smith-Benson). This will enable our "Search Engine" to add the hyphenated words as a single name.

To ensure the legacy stories published on our Heritage Honor Roll do not contain inappropriate language, all text is filtered through a secure, third-party Profanity App. If a word or phrase used in your story is on its "block" list, you will receive an error message at the top of the template when you click on the "Publish My Story" button. If that occurs, replace the word or phrase by using its first and last letters and put an "x" for each letter in between, such as "sxxt" or "fxkx you."

We can override the App's list of blocked words. If you believe the "blocked" word is appropriate, contact us by e-mail. Put the word "Profanity" in the subject line. In the body of the e-mail, identify the "blocked word or phrase" and include the sentence in which it is used. If our editorial board agrees that the word or phrase is appropriate, we will remove the word or phrase from the App's block list and notify you so you can insert the desired word or phrase in your story.

Note: Each time you change your honoree's legacy story, you must click on "Publish My Story" or "Save My Work."

Lifetime membership in AA is free for all individuals, and it includes a three-month free trial in our Social Legacy Network (SLN) which enables them to get discounts on goods and services from our Business Legacy Partners (BLP). Students keep the free trial opportunity until their class graduates. After the trial period, AA members have the option to subscribe to our SLN for \$4 per month, cancelable at any time, to continue receiving discounts: 77 percent of their gross subscription fee is donated to a school or education organization they designate. If the school is not registered, the funds are donated to their county. It is anticipated that members will subscribe since they should gain more in discounts than the cost of their subscription. If a member does not opt to join the SLN, their lifetime membership in Americans All is unaffected.

Stories on our HHR can be about individuals, groups or issues/topics, contain up to 2,000 words (1,000 can be password protected for privacy), and be augmented with images, logos, hyperlinks, photographs, and audio-video media. They can also be published in multiple languages. In addition, membership includes creating a second story in English.

What makes our program even more unique is that we include historical information to provide context for these stories and the experiences, observations and accomplishments reflected in them..

Storytelling helps families pass on knowledge and experiences to current and future generations. Research by the National Library of Medicine has shown that patterns of memory sharing begin early in one's life, informing relationships, one's history, and one's sense of cultural belonging.

Intergenerational knowledge of one's family history is associated with positive mental health, wholeness and well-being. Life stories are central to one's sense of self and the social world that they inhabit. Indeed, considerable research indicates that storytelling is fundamental to human development, cultural frameworks, and the cultivation of relationships.

Our Web site displays information in English using a standard Latin character set. At no additional cost, you can create your honoree's legacy story or a Legacy Partner's landing page in as many additional languages as you desire. However, each additional language cannot be used more than one time, except for those languages on the list that have been modified. To help you create either a story or a landing page, we have provided you with a copy of the English-language version to use as a guide. To create this new version, delete the English-language text and replace it with the new language text. Text and image fields that are not modified will remain the same as in the English-language version.

Similarly, you can post your Heritage Honor Roll stories to as many Legacy Partner landing pages as you desire, but each Legacy Partner landing page cannot accept more than one story from each member. Therefore, you must delete the 6-digit number of the landing page you selected for your English-language-version story from the new "additional language" template. This will not affect the English language version being posted to that Legacy Partner landing page.

To help you gain more exposure for your story, you can hyperlink all language-versions of your story to each other, or to the story of another member on our site.

[Click here](#) to learn how this can easily be done.

You can create your new story in two ways:

- If you can change your keyboard settings to the desired language, delete the English-language text and replace it with the new language text.
- If you cannot change your keyboard settings, prepare your honoree's story in the desired language offline and cut and paste it into the template to replace the English-language text

If you do not find the additional language you desire listed below, please [contact us](#) and put the word "Additional Language" in the subject line.

Note: Many words and expressions do not have the same meaning in all languages. To ensure your honoree's legacy story or Legacy Partner landing page in the new language carries the same meaning as the English-language version, we advise that you do not rely on an automatic translation app.

Language	Title	Status	Operations
English for second story	n/a	Not translated	Create a translation
Bengali	n/a	Not translated	Create a translation
Chinese, Simplified	n/a	Not translated	Create a translation

This is a partial list of available languages. If the language you want to use is not listed, contact us and we will add it to the database.

To create a story in an additional language, click on the appropriate fields. After the edits have been made, click on “Publish My Story or Save My Work.*” (19) A “pop-up” (20) will show to confirm (21) your instruction regarding your story.

To assist you in creating your honoree’s legacy story in an additional language, we have provided you a copy of the English-language version to use as a guide. To create this version of your story, delete the English-language text and replace it with the new language text. If a field is not changed, the data from the English version will remain. Moreover, since Legacy Partner landing pages can only accept one story from each member, delete the 6-digit number of the landing page you selected for your English-language-version story from this new “additional language” template. Your English language version of the story will not be affected.

To help you gain more exposure for your story, you can hyperlink all language-versions of your story to each other, or to the story of another member on our site. [Click here](#) to learn how this can easily be done.

Note: Each time you change your honoree’s legacy story, you must click on “Publish My Story or Save My Work” or your changes will not be saved.

Americans All Website Tutorials

Americans All members will find it easy to start creating their life stories. Our template only requires individuals to fill in their names, pertinent dates and a summary not to exceed 60 words. Additional story text, hyperlinks and photographs can be added over time. The following tutorials will help you create and publish your legacy story. You can update your story at any time, for free, and all previous versions are archived.

There are four major roles that Americans All members can have. A person (an individual or a group for which he/she is affiliated), a nonprofit organization, a school or education (a specific form of a nonprofit organization), and a business or professional service provider (and their respective offices and locations). A person can also be an agent (or Point of Contact) for a nonprofit or business member but must register separately using that organization's email address. Registration tutorials for each of the roles are below.

Business Legacy Partners can host Heritage Honor Roll legacy stories of current and future clients and customers on their Americans All home page(s)—in multiple languages, if desired. If circumstances warrant, however, the business or practice can easily remove a story from its home page(s). By clicking on the “Edit” button on Americans All home page (B), you will be taken to a page to remove or reinstate a legacy story as well as update your Legacy Partner home page.

If your home page is open when a legacy story is added, the page must be refreshed in order for it to appear. Otherwise, it will automatically appear when you log in again.

To remove a story from a Legacy Partner home page, uncheck the box in front of the honoree's name (C) and click on the “Publish” button. The honoree's legacy story will remain in the Americans All electronic database, and the honoree's name will remain on the Legacy Partner's “Edit” page. The legacy story will not be visible to the public on this home page. A notice of removal will be automatically sent to the creator of the legacy story. (C)

If the legacy story was removed in error and should continue to be included on this home page, place a check in the box in front of the honoree's name and click on the “Publish” button. A notice of reinstatement will be automatically sent to the creator of the legacy story. (C)
