How Americans All (AA)¹ Works for **Individuals**, **Schools and Other Nonprofit Organizations**².

An individual can have several roles in our program—**either a personal role or as an agent, or a point of contact (poc), for multiple entities.**

¹ AA invests 80 percent of the revenue from Social Legacy Network subscribers and Business Legacy Partners in schools and communities that support our program. In addition, our resources help students in non-academic school activities succeed in our democracy, economy and workforce, and reinforces the value of diversity, tolerance and acceptance. We also honor the contributions that all Americans made, and continue to make, to our nation and we use historical timelines and text pages to establish context for many of their stories.

² Business Legacy Partners pay a \$49 fee that is renewable every 6 months and gain additional AA memberships when they join, and each time they renew. They also receive landing page(s) and a listing on our [Discounts](#) page, which can be updated daily at no additional cost.

³ We identify our members only by their e-mail addresses and Zip Codes.

⁴ HHR stories can contain text, music, images and audio-visual links, and can be updated for free at any time. All previous versions are archived. The HHR may contain more than one legacy story for an individual or a group because members have opted to recognize different contributions of the same individual or group.

⁵ LP landing pages contain individual stories published on the HHR that are associated with the entity.

Our Web site displays information using a standard Latin character set. At no additional cost, you can create your honoree's legacy story in an additional language besides English. To do so, locate the desired language and click on "Create a translation" under the "Operations" tab. When the template appears, it will contain a copy of the English- language version of the legacy story. You can create your new story in two ways:

- If you can change your keyboard settings to the desired language, delete the English-language text and replace it with the new language text.
- If you cannot change your keyboard settings to the desired language, prepare your honoree's story in the desired language off line and cut and paste the new language text to replace into the template to replace the English-language text.

Text and image fields that are not modified will remain the same as in the English-language version. If you do not find the additional language you desire listed below, please [contact us](#) and put the word "Additional Language" in the subject line.

Note: Many words and expressions do not have the same meaning in all languages. To ensure your honoree's legacy story in the new language carries the same meaning as the English-language version, we advise that you do not rely on an automatic translation app.

Or, they can enroll for \$24.50 using a Legacy Partner discount code. Members can create and publish a legacy story on an individual or a group and share it forever on our Web-based Heritage Honor Roll. Schools, students and students’ families participate as lifetime members in Americans All at no cost. All members receive a free, 3-month trial to our Social Legacy Network to access discounts on goods and services offered by our program partners and additional educational resources from Americans All.

Americans All members will find it easy to start creating their legacy stories.
