How Americans All (AA) works for **Individuals**¹;

Businesses; Schools and Other Types of Nonprofits².

An individual can have several roles in our program—either a personal role or as an agent, or a point of contact (poc), for multiple entities.

(Continued from page 3)

- ¹ AA invests 80 percent of the revenue from Social Legacy Network subscribers and Business Legacy Partners in schools and communities that support our program. In addition, our resources help students in non-academic school activities succeed in our democracy, economy and workforce, and reinforces the value of Diversity, tolerance and acceptance. We also honor the contributions that all Americans made, and continue to make, to our nation and we use historical timelines and text pages to establish context for many of their stories.
- ² Business Legacy Partners pay a \$49 fee that is renewable every 6 months and gain additional AA memberships when they join, and each time they renew. They also receive landing page(s) and a listing on our Discounts page, which can be updated daily at no additional cost.
- ³ We identify our members only by their e-mail addresses and Zip Codes.
- ⁴ HHR stories can contain text, music, images and audio-visual links, and can be updated for free at any time. All previous versions are archived. The HHR may contain more than one legacy story for an individual or a group because members have opted to recognize different contributions of the same individual or group.
- ⁵ LP landing pages contain individual stories published on the HHR that are associated with the entity.

Registration Information

1. Click on the link “Create New User Account” at the top of our “Home Page” www.americansall.org to set up a free “User Account”. This gives you access to your personalized “Welcome Back” page that contains links to obtain program benefits.
2. Tutorials are provided to assist individuals in navigating the site and taking advantage of its many benefits.
3. If an individual is now affiliated, or plans to be affiliated, with a K–12 public or private school or any other education organization, he or she can become a lifetime member of Americans All at no cost. As such, he or she can create and publish a free story on the Americans All Heritage Honor Roll.
4. [Americans All members will find it easy to start creating their stories. Our template \(for either an individual or a group story\) only requires individuals to fill in their name, date of birth and a summary not to exceed 60 words to begin the creation process. Importantly, all fields marked with an \(*\) must include at least one word \(like “to come”\) to activate the field, thus avoiding an error message. Additional story text, hyperlinks and photographs can be added over time. Tutorials are provided to help simplify the process.](#)
5. When filling out the field “Ethnicity and/or culture, country(ies) of origin of grandparent(s), occupation, achievements, contributions” (for an individual story), or “Field/Industry/ Profession/Activity” (for a group story), insert “keywords” that will make it easier for the reader to use our SEARCH feature to locate your story. Those words will appear at the top of the story after the honoree’s name when it is published on the Heritage Honor Roll.
6. There is a second registration form to fill out to get a free, one-year trial subscription to our Social Legacy Network that provides discounts on goods and services from our program’s business partners and additional program benefits. The form will appear after you select the type of story you want to create--“Individual” or “Group”. **No credit card is required, and we will not invoice you after the trial period ends to continue your subscription in our optional Social Legacy Network subscription without your permission. [We believe the discounts you can receive will more than pay for your membership.](#)**
7. After the legacy story is created, you can click on “Create a legacy story in an additional language” on your “Welcome Back” page if you want to begin working on a second story. After you select the new language (including English for the second story), the template for your original story will appear. Simply delete (or type over) the text in each field and add the new text for the additional story. Members can create as many new stories in foreign languages as they desire. However, the same foreign language cannot be used more than one time.
8. After each additional story is created and published, a new link will appear on your “Welcome Back” page, so you can modify the story anytime, for free. All previous versions of the story will be archived.

Americans All Website Tutorials

Americans All members will find it easy to start creating their life stories. Our template only requires individuals to fill in their names, pertinent dates and a summary not to exceed 80 words. Additional story text, hyperlinks and photographs can be added over time. The following tutorials will help you create and publish your legacy story. You can update your story at any time, for free, and all previous versions are archived.

There are four major roles that Americans All members can have. A person (an individual or a group for which he/she is affiliated), a nonprofit organization, a school or education (a specific form of a nonprofit organization), and a business or professional service provider (and their respective offices and locations). A person can also be an agent (or Point of Contact) for a nonprofit or business member but must register separately using that organization's email address. Registration tutorials for each of the roles are below.

The registration form is continued on page 8

[Click here](#) for step-by-step instructions on how to register for Americans All and create a legacy story. You may want to print some of these tutorials for reference. By creating a “New User Account,” you establish a personalized “Welcome Back” page with links to all program benefits. If privacy is an issue, insert initials, rather than your names, in the “Name*” fields. We only identify our members by their e-mail address (which they use to log in), and their Zip Code (which we use to count how many members are registered in each geographic area). Importantly, we do not share or publish contact information or store financial information.

Our mission is to house one of the most comprehensive and non-political databases (in multiple languages) of individual, family and group stories, past and present, about the “*Peopling of America*.” Our storytelling tool is an ideal vehicle to help focus on the commonalities, rather than the differences, in our population. By sharing stories, we can all recognize the contributions of every citizen, while reinforcing the values of diversity and respect, and promoting tolerance, empathy, acceptance and understanding. Stories can contain text (part of which can be password protected), photographs, home movies, and hyperlinks to web text and audio-visual media. Stories can also be published in multiple languages.

Your registration creates a free, lifetime membership in Americans All. After you start creating your story and have either “saved” or “published” it (the story does not have to be completed in one session), you are automatically registered for our program and receive a one-year free trial to our optional Social Legacy Network, which enables you to receive discounts from our program’s business partners.

Legacy stories reflect members’ views, and we do not vet these stories. Because stories can unintentionally contain information about the people in the narrative that may be inappropriate or potentially harmful, we recommend that young adults have their story reviewed by a parent, guardian or teacher before it is published. Moreover, we comply with the “Children’s Online Privacy Protection Act” (Public law: 105-277), which requires parental consent if children under 13 share information that can be obtained on the Internet.

Continued from page 7

If you are creating a membership for yourself, use your e-mail address. If you are creating a membership by acting as an agent (point of contact) for a business, school or other nonprofit, use the organization's email address. From a link on your “Welcome Back” page, first create their Legacy Partner (or school) page before registering them for Americans All and creating their story for the Heritage Honor Roll. If your role is an agent, you can always set up a personal account by logging in again and using your own email address.

Create Legacy Story for an Individual

[A different template is provided for a Group story]

An asterisk () indicates a required field.*

[Click here](#) for step-by-step instructions on how to create a legacy story for an individual. You may want to print these instructions for future reference.

Use this template to create your honoree's legacy story in English. Once it is published in the Heritage Honor Roll, use the link under "Actions" on your "Welcome Back" page to "Create a legacy story in an additional language."

By capturing the text in all fields—except "Middle Name" and (Maiden Name)—on this template, our "Search Engine" will make it easier for members to locate your honoree's story. For the listing in Americans All, please add a hyphen if the first or last name has more than one word (e.g., Mary-Ann, Billy-Bob, Smith-Benson). This will enable our "Search Engine" to add the hyphenated words as a single name.

To ensure the legacy stories published on our Heritage Honor Roll do not contain inappropriate language, all text is filtered through a secure, third-party Profanity App. If a word or phrase used in your story is on its "block" list, you will receive an error message at the top of the template when you click on the "Publish My Story" button. If that occurs, replace the word or phrase by using its first and last letters and put an "x" for each letter in between, such as "sxxt" or "fxxk you."

We can override the App's list of blocked words. If you believe the "blocked" word is appropriate, contact us by e-mail. Put the word "Profanity" in the subject line. In the body of the e-mail, identify the "blocked word or phrase" and include the sentence in which it is used. If our editorial board agrees that the word or phrase is appropriate, we will remove the word or phrase from the App's block list and notify you so you can insert the desired word or phrase in your story.

Note: Each time you change your honoree's legacy story, you must click on "Publish My Story" or "Save My Work."

Example of a story from our Heritage Honor Roll

Allan S. Kullen *Author, Business Printer, Social Entrepreneur, Traveler*

Allan S. Kullen (February 20, 1942 - ?) Author.

"Her name is Ester Baumgartner. Do you know her?" Allan Kullen had posed the question in a broken mixture of Hebrew and English to whoever would listen and could understand him. Allan had met Ester while on an archaeological dig at [Masada](#) in Negev, Israel. All he knew by the time they parted ways was her name and the fact that she was staying in Tel Aviv. So, after finishing his work, he decided he would try to find her. He hitchhiked his way to Tel Aviv and, despite all odds, found her. It was to play an important role in his life.

Allan was born in Washington, DC, on February 20, 1942, to Eunice (Statland) and Sol [Kullen](#), both originally from Baltimore, MD. His sister, Marian, was born two years later. He grew up in the DC metropolitan area. His father had built a successful career in the printing industry so, in 1959 after a very uneventful four years culminating in his high school graduation, Allan chose to attend the School of Printing Management at [Carnegie Institute of Technology](#) (CIT) in Pittsburgh, PA.

Americans All features photographs and texts on the contributions that immigrants made to the nation's development when they come through Ellis Island. At the same time, he was printing for the [Coordinating Committee for Ellis Island](#), a nonprofit group focused on the same topic. This action rekindled the passion generated by his travels abroad, and he founded and became president of the People of America Foundation and became co-

A Champion for Social History

Allan Kullen

February 20, 1942 -

Allan Kullen was born on February 20, 1942, in Washington, DC, and grew up in the area. His father had success in the printing industry, so Allan chose to attend the Carnegie Institute of Technology in Pittsburgh, PA, after graduating from high school in 1959. He graduated from its School of Printing Management in 1963.

To gain more business training, Allan then entered an MBA program at the University of California, Berkeley. During his first year, he met representatives of NBBS, a Dutch travel organization that organized student trips to Europe, and began putting out a daily newspaper for the eight-day crossing by sea. He also accepted an internship as a consultant for a printing company in Amsterdam. That fall, rather than returning home, he traveled extensively where, for the first time, he recognized the contributions that diverse cultures make to world history. Allan subsequently decided to enter the workforce rather than resume his schooling at Berkeley.

He began his career as marketing director for his father's printing firm, Kaufmann Press, Inc. When his father's company was acquired by a public company, Publisher's Company, Inc. (Pubco), he went to work for Pubco, first assisting with its acquisitions program and later joining its publishing division. When Pubco began to fail, Allan realized he needed to build a future where he could better control his own destiny, especially since he was now married to the former Diane Klein and they had two children, Allison and Todd. In 1974, he acquired the assets of a struggling printing company and formed Todd Allan Printing Co., Inc., which he ran until 2013. During that period, he grew the company through internal sales and roll-up acquisitions of eight smaller firms, at its peak achieving \$16 million in annual sales and employing 127.

While working at Pubco, he observed that some of its large printing vendors also owned commercial educational properties, and he brought that manufacturing strategy to Todd Allan. He set up his own publishing company in the early 1980s by buying a program called *The First Experience*, which featured photographs and texts on the contributions that immigrants entering through Ellis Island made to our nation's development. At the same time, he was printing for the Coordinating Committee for Ellis Island, a similarly focused nonprofit group.

Drawing inspiration from his extensive travels and reinforcing his interest in history, Allan then founded and became president of the People of America Foundation and became co-developer of its social studies resources program, Americans All. The program includes printed texts and recordings, period-specific posters and photographs, and simulations and teacher's guides, all developed by a team of scholars led by Americans All co-developer Dr. Gail C. Christopher. More recent program components support excellence in social studies instruction by increasing access to high-quality resources for classrooms and professional development opportunities for teachers.

Create a legacy story or a landing page in an additional language.

[View published](#) [Modify/Update](#) [Revisions](#) **Create this page in an additional language**

Our Web site displays information in English using a standard Latin character set. At no additional cost, you can create your honoree's legacy story or a Legacy Partner's landing page in as many additional languages as you desire. However, each additional language cannot be used more than one time, except for those languages on the list that have been modified. To help you create either a story or a landing page, we have provided you with a copy of the English-language version to use as a guide. To create this new version, delete the English-language text and replace it with the new language text. Text and image fields that are not modified will remain the same as in the English-language version.

Similarly, you can post your Heritage Honor Roll stories to as many Legacy Partner landing pages as you desire, but each Legacy Partner landing page cannot accept more than one story from each member. Therefore, you must delete the 6-digit number of the landing page you selected for your English-language-version story from the new "additional language" template. This will not affect the English language version being posted to that Legacy Partner landing page.

To help you gain more exposure for your story, you can hyperlink all language-versions of your story to each other, or to the story of another member on our site.

[Click here](#) to learn how this can easily be done.

You can create your new story in two ways:

- If you can change your keyboard settings to the desired language, delete the English-language text and replace it with the new language text.
- If you cannot change your keyboard settings, prepare your honoree's story in the desired language offline and cut and paste it into the template to replace the English-language text

If you do not find the additional language you desire listed below, please [contact us](#) and put the word "Additional Language" in the subject line.

Note: Many words and expressions do not have the same meaning in all languages. To ensure your honoree's legacy story or Legacy Partner landing page in the new language carries the same meaning as the English-language version, we advise that you do not rely on an automatic translation app.

Create My Honoree's Story in an Additional Language.

An asterisk () indicates a required field.*

[Click here](#) for step-by-step instructions on how to create a legacy story for an individual in an additional language. You may want to print these instructions for future reference.

To assist you in creating your honoree's legacy story in an additional language, we have provided you a copy of the English-language version to use as a guide. To create this version of your story, delete the English-language text and replace it with the new language text. If a field is not changed, the data from the English version will remain. Moreover, since Legacy Partner landing pages can only accept one story from each member, delete the 6-digit number of the landing page you selected for your English-language-version story from this new “additional language” template. Your English language version of the story will not be affected.

To help you gain more exposure for your story, you can hyperlink all language-versions of your story to each other, or to the story of another member on our site. [Click here](#) to learn how this can easily be done.

Note: Each time you change your honoree's legacy story, you must click on “Publish My Story or Save My Work” or your changes will not be saved.
