

Juice PLUS+

# Feel Good. Look Good.

The secret to feeling and looking good? Proper nutrition. Add omega fatty acids from eco-friendly sources and plant-based nutrition from more than 20 fruits and veggies with the Feel Good Look Good product combination!

## OVERVIEW

Our Feel Good Look Good product combination packs high-quality, plant-based nutrition in a convenient capsule form. Bridge the gap between nutrition you get and the nutrition you need, with Juice Plus+.

## PRODUCT BENEFITS

Juice Plus+ Fruit and Vegetable Blends support immune and skin health with nutrition from over 20 fruits and vegetables.

Our unique Omega Blend is made from minimally processed plant-oils rich in omega fatty acids 3, 5, 6, 7 and 9. This blend of 5 plant-based oils provides powerful DHA & EPA that support heart health. And the best part is, there are no fish involved our process, making it more sustainable and 100% vegan.

Together, these three blends support healthy skin and vision and help you bridge the gap between the nutrition you get and the nutrition you need.
