

Inviting a New Team Member

1. WHO WOULD YOU LIKE TO INVITE?

Who would be on your "Dream Team?" Who do you know that is:

- Entrepreneurial
- Juice Plus+ raving fan
- Mission driven
- Money motivated
- People person
- In a life transition

2. INVITE THEM

Have a real conversation. Listen more, talk less. Ask questions. Be authentic & put them first. Connect the dots between their problems/goals and why the Juice Plus+ business may be a good fit for them. Feel free to go back to them after your initial conversation has ended & simply ask if they would be open to watching a short video about the Juice Plus+ business. You can also invite them to a three-way connection with your upline support team. The more you learn about them through conversation, the better this will be. For example:

- *I don't know if this would be a fit for you or not, but I was thinking that it may help with... (problem/goal they have). Would you be open to watching a short video about what I do?*
- *I know you really love your Juice Plus+/Tower Garden and thought that you might like to see how you could get paid to share it with others now and then. I know you love helping people, and it could be a good way to earn some extra income. Would you be open to watching a short video?*
- *Remember a while ago when you were telling me about _____ (problem/goal)? I remembered that today and thought I should share something that might be a good solution. Would that be okay? Have you ever considered...?*
