Initial Contacts with Howard County Officials

Hi Allan,

Thanks for sending over this information and for thinking of us to participate in the Americans All program. It certainly looks like an incredible opportunity for the county.

Can you share with us what level of involvement you envision from HCEDA regarding a potential partnership? I'm cc'ing my colleagues, Chuck Bubeck (Exec Director of Maryland Innovation Center, our startup incubator as part of HCEDA) and Doug Holly (Entrepreneur in Residence for the MIC). I believe we are the best contacts for this but will be happy to connect you with others on our team as we determine more details around the potential partnership with HCEDA.

I'm also wondering if this partnership should take place between AA and Howard County Public Schools (HCPSS). Have you been in touch with anyone there? Happy to connect you.

Thanks,

Aphaia Harper
Strategic Engagement Manager

Hi Allan,

I heard back from our Curriculum Office and learned that they are not interested in partnering because we already have a program in place that meets similar objectives. The existing program is called Story Strong. When we find that a potential opportunity is not possible, we try to offer other ideas that may be helpful, which is why I listed some plan B thoughts.

PTAs - If you are looking for contact information for high school PTAs, please see this link for the listing of all high school websites - [Schools – HCPSS](#). Once you click on a school's website, scroll down to the bottom of the homepage to see a link to PTA information. For PTAs, they are separate organizations that have their own procedures. They do not typically need to contact our office; however, if they mention the need to reach out to us, you can refer them to me.

Clubs - Certain school clubs may be interested in your program. To get information about the various clubs at each high school, please see this link for the listing of all high school websites (this is the same link as the one listed above) - [Schools – HCPSS](#). Once you click on a school's website, look under Student Life, Activities & Clubs for the listing of clubs. Each club should have a point of contact listed on the school websites. They are typically teachers who are serving as advisors. Those are the contacts you should be reaching out to.

If you find a potential match with a particular extracurricular club or PTA, please reach out to the point of contact directly.

Community News & Programs Page - Nonprofit organizations can distribute information through the school system by requesting that it be posted on the HCPSS [Community News & Programs](#) page. If you would like to share information about your programs with the public, please submit a post by clicking on the *Add your Program* link at the top of the page. For questions about this page, please contact publicinfo@hcpss.org.

HC Historical Society - I encourage you to continue working with the Howard County Historical Society.

HoCoPoLitSo - You may want to look into [HoCoPoLitSo](#) to see if they would be interested in a partnership.

social, community service or special interest clubs. Each landing page has a short summary about the team or club, an image and the stories written by its members. Students post their stories directly to these pages, but the LP can easily remove (or reinstate) any story they feel does not belong on their page.

[Storytelling](#) helps students, especially those in high school or junior college, further their knowledge of history; strengthen their research, communications, and writing skills; and help them succeed in our democracy, postsecondary studies and the workforce. It also helps families pass on knowledge and experiences to current and future generations.

[Local businesses](#), cottage industries and professional service providers can join AA for an annual fee, which is paid in two installments of just \$49 each. They receive free LP homepage(s) on our website—one for each location and in multiple languages, if desired—to share information about their business, industry or practice. They are listed on AA’s [Discounts](#) page to advertise discounts on goods and services daily--if desired--to AA members. For example, a restaurant could offer AA members a free non-alcoholic beverage and/or an appetizer or dessert at reduced price (like happy-hour). This would save the member more than their monthly subscription fee, and be an inexpensive marketing tool for the restaurant, thus making this process a true win-win.

Importantly, AA [invests 80 percent](#) of the gross revenue received from SLN subscriptions and Business Legacy Partner (BLP) sponsorships in schools and communities that support our program. During the registration process, subscribers and businesses identify a school or other education organization to become the beneficiary of part of their subscription or sponsorship fees. SLN subscribers and BLPs can change the beneficiary they want to support at any time. [Schools receive](#) \$12 per year (or 25 percent) of each new or renewed SLN subscription and \$15 per year (or 15 percent) of each new or renewed BLP sponsorship. If no organization is specified, the funds will go to their county. We offer step-by-step tutorials to simplify the registration process. Schools can create and publish their Heritage Honor story and Legacy Partner landing page(s) at any time. We recommend that the much shorter Legacy Partner page be created first, so students, staff, families, alumni and businesses can post their stories on that page(s). Once a school has registered, AA will record how many SLN subscriptions and BLP sponsorships the school has received. Both the current month’s activity and a cumulative total will be noted.

¹Non-academic activities include, but are not limited to, extracurricular activities such as sports, performing arts, volunteerism, student government, and clubs that focus on topics such as academics, vocational and professional, service, arts and crafts, mechanical shops, hobbies, publications/media, languages, religion, and so on. They also include events like excursions and social outreach programs, to name a few. These activities provide a channel for reinforcing the lessons learned in the classroom, offering students the opportunity to apply academic skills in a real-world context, and thus help contribute to a well-rounded education.

Benefits of Storytelling to PTA Families

PTA organizations support schools in getting both unrestricted funds and resources. We can fill this dual role by providing them with a program to add as a fundraising tool (Heritage Honor Roll) and giving schools electronic access to much-needed resources for students participating in non-academic school activities. In addition, many of the members of the PTA (as well as other school families) own or participate in local businesses and as professional service providers and can use this program to gain additional exposure and reach a larger audience for their entities.

Families can also use this tool to pass on knowledge and experiences to current and future generations. Without this information, children will neither understand their roots nor develop their ethnic and cultural identity. In addition, storytelling brings communities together by sharing people's common histories, rather than their differences.

Benefits of Storytelling to Students

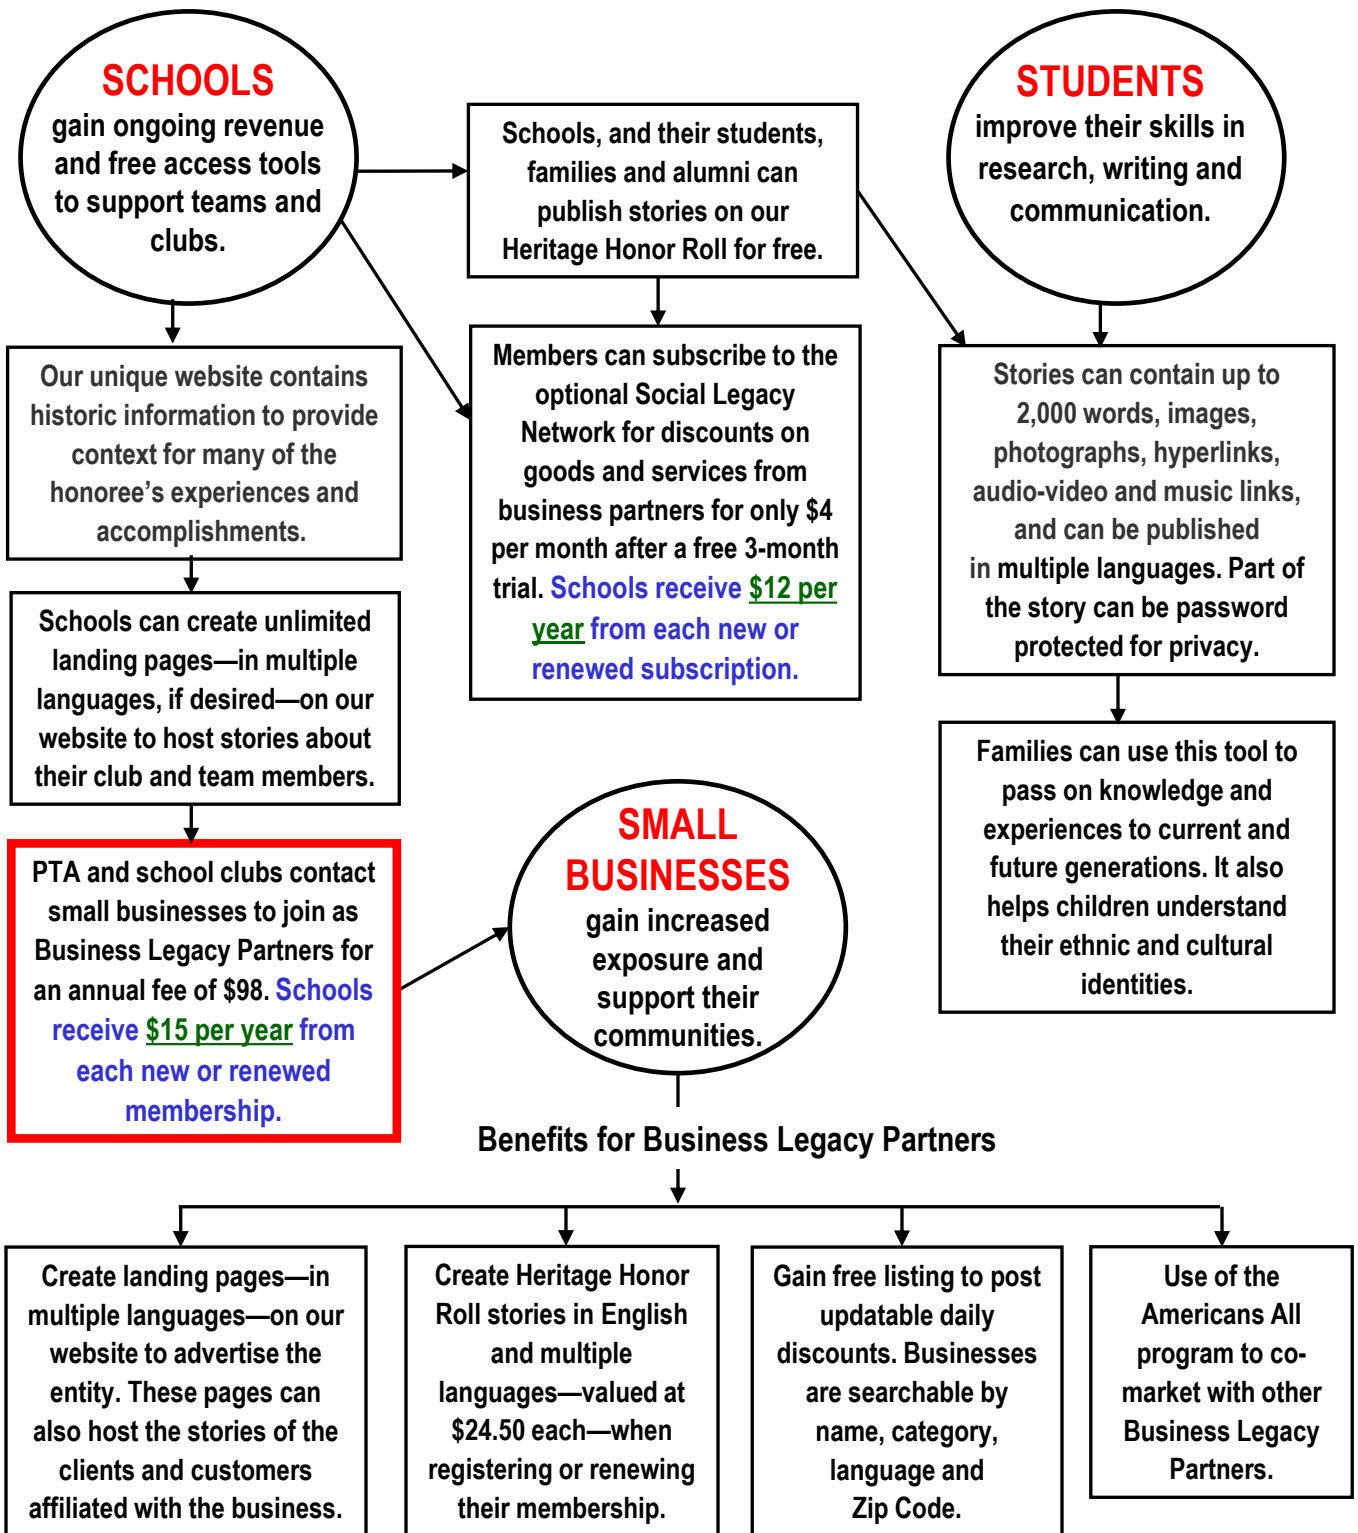

Storytelling benefits students who are participating in non-academic school activities, as well as in their personal lives.

- Stories begin at birth, and *legacies* are built each time a personal, academic or professional milestone is achieved. Every student has important experiences and lessons learned to share with family, friends and future generations. Creating and publishing a [story](#) about themselves helps students develop skills in critical thinking, communicating, researching and, especially, writing—skills needed to help ensure their success in college and/or the workforce.
- By learning to use concise language and enhancing stories with photographs and other media, students can record important events and memories they have experienced.
- Publishing a legacy story on our Web-based [Heritage Honor Roll](#) ensures the significance of a lifetime will not be forgotten and enables students to have a permanent and an accessible social media presence that truly describes who they are. Only the member can edit a story.
- Storytelling can also be a wonderful intergenerational bonding experience that builds empathy, compassion and understanding.
- [Students will find it easy to start creating their life stories. Our template only requires individuals to fill in their name, date of birth and a summary not to exceed 60 words. Additional story text, hyperlinks and photographs can be added over time.](#)
- By helping others less skilled in the art of writing and the use of technology to incorporate images and recordings into their legacy stories, a student can earn [service-learning](#) credits.
- Helping others create a story also demonstrates to prospective employers and postsecondary institutions a student's character and appreciation for how volunteerism benefits a community.

Even though Americans All is no longer active in the Social Studies, English-Language-Arts, or any curriculum arenas, members can access our online K–12 nonpolitical supplemental [classroom resources](#) presented in multiple perspectives, which were sold to more than 2,000 [schools](#) and libraries nationwide.

We offer our members a free, 3-month subscription to our [Social Legacy Network](#) to receive even more benefits. After the trial period, the cost is \$4 per month to continue receiving additional benefits from Americans All and discounts on goods and services offered by program partners.

Americans All (AA) is a nonprofit community-outreach program that specifically benefits and links students participating in non-academic school activities and small businesses/service providers by using a unique storytelling tool and a turnkey revenue generator.

Education Organization

Founded in 1958, the Howard County Historical Society is primary private repository of historical records and artifacts related to Howard County's rich history, the Howard County Historical Society provides access to materials that aid in historical exploration, research and discovery for all ages and cultural groups.

Throughout the year, the Howard County Historical Society presents a wide variety of engaging public programs, concerts, lectures, and other activities. The Society also welcomes school groups, scouts, home schoolers, adult groups, and the public to participate through field trips and outreach programs.

The Museum of Howard County (8328 Court Avenue) is housed in the former First Presbyterian Church which was generously donated to the Society in 1959 by Mrs. Alda Hopkins Clark in memory of her late husband, Judge James Clark, Sr. The Clark Family was instrumental in founding the Historical Society.

Located next to the Court House in Ellicott City, the original church was a modest building constructed in 1837 that collapsed during renovations in 1894. Rebuilt later that same year, the current Gothic-style structure with its soaring 100-foot bell tower, steeply pitched roof and stained and leaded glass windows was designed by George Archer and constructed by Frederick A. Wayland. Along with an extensive collection of fascinating artifacts, textiles, furniture and memorabilia, the Museum is home to a refurbished 1855 organ built by the A.B Felgemacher Organ Company of Erie, PA.

The Howard County Historical Society Archives and Research Library were originally kept in the Museum and then moved to the Ellicott's Mills Quaker School, now known as the Weir Building, in 1988. In the fall of 2011, the Society moved its treasure trove of historical maps, deeds and property records, marriage licenses, voter records, slave manumission records and oral histories as well as over 4,000 historical photographs, local 4-H documents, business receipts, and many rare and one-of-a-kind private documents to the Charles E. Miller Branch Library and Historical Center on Frederick Road in Ellicott City.

Legacy Stories from the Americans All Heritage Honor Roll

We are pleased to host and share these legacy stories created by honorees' family, friends and associates. They, like us, appreciate that heritage and culture are an integral part of our nation's social fabric and want to help students participate effectively in our nation's economy, workforce and democracy.

Individuals or Groups can join Americans All for free if they, or any member of their family, is or was affiliated (or plans to be affiliated) with a K–12 public, private or alternative school that is registered, or plans to be registered, for our program. If this is not the case, they can enroll in Americans All at the discount registration fee of \$24.50. One of the main benefits of membership is the opportunity to create and publish

To create a Legacy Partner landing page(s), The entity must have its own e-mail address. The point of contact (an agent of the entity) must be a registered member of Americans All--but does not need to have created a legacy story. Free e-mail addresses can be found at <https://www.guru99.com/best-free-email-service-providers.html>.

page(s). Where applicable, students can earn service-learning credits by participating in our program.

Group, Business or Organization Legacy Partner Home Page(s)

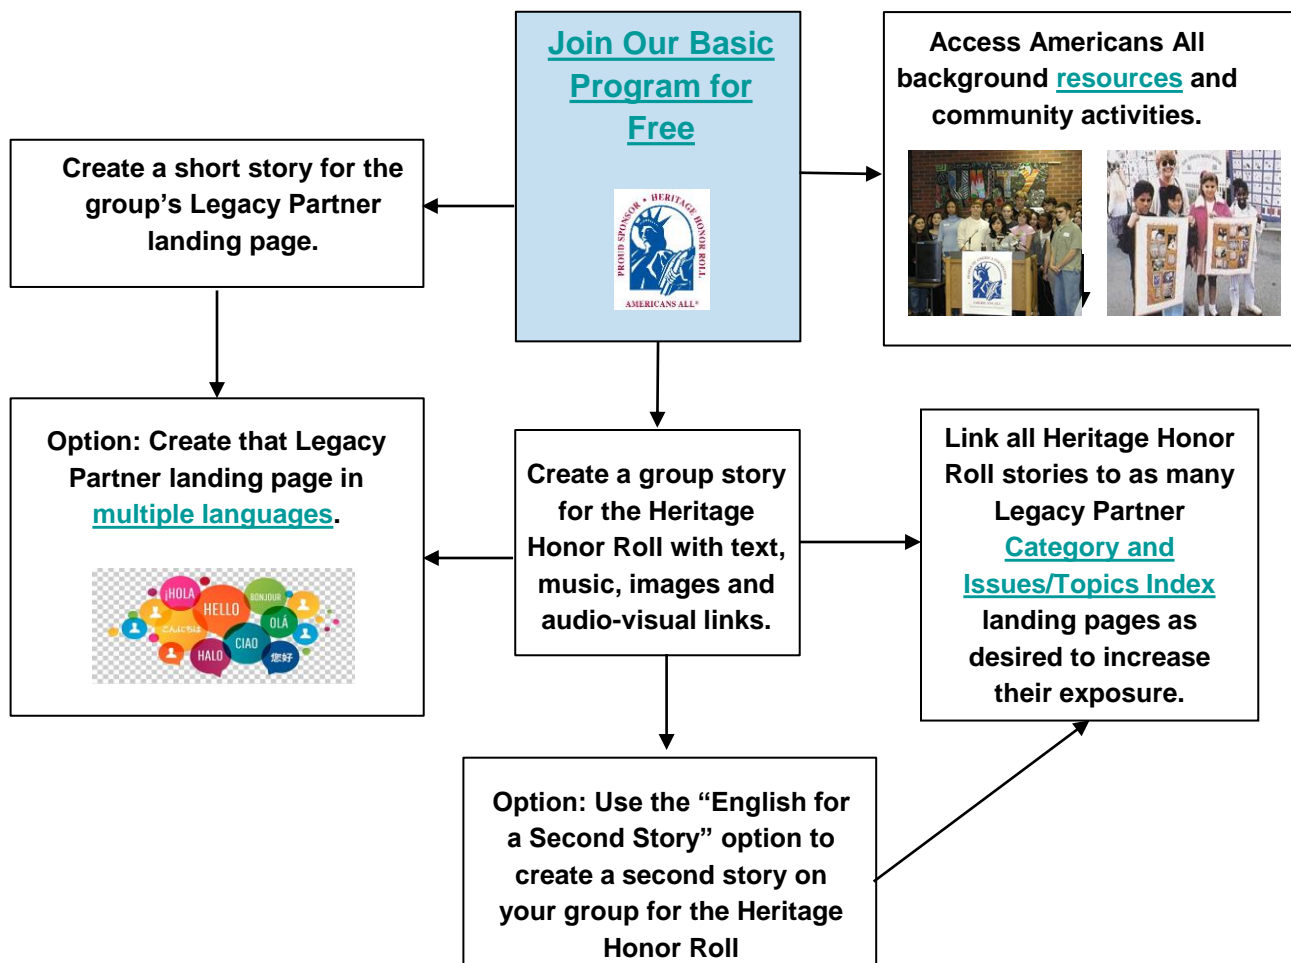

After designating a point of contact to manage their user account, businesses and nonprofit organizations participate in our program as Legacy Partners. They can generate home page(s)—in multiple languages, if desired—for each location or chapter/district on our Web site to share information about themselves, better connect with their clients and members and demonstrate their commitment to strengthening communities. They can use their home page(s) to host legacy stories published on our Heritage Honor Roll by those important to them, thus providing further exposure for these stories. Business Legacy Partners also share discounts on goods and services with other Legacy Partner and subscribers to our Social Legacy Network.

School, Library or Historical Society Legacy Partner Home Page(s)

A point of contact is required to act as an agent for a school, library or historical society so he or she can create a free legacy story on the education organization and share it on our Web-based Heritage Honor Roll. The education organization's legacy story can be published in multiple languages, if desired, and can be enhanced through photographs, movies and other audio and video media. Education organization Legacy Partners can access the existing Americans All education resources, including our ethnic and cultural texts, music publication, and period-specific photographs and posters (a \$500+ value). They can also create free Americans All Legacy Partner home page(s) on themselves and internal groups to briefly describe their activities and to host legacy stories of past and current students, teachers, members, employees and their families published on our Heritage Honor Roll. An education organization's point of contact can also join Americans All and create a legacy story for our Heritage Honor Roll by registering with his or her personal e-mail address. Moreover, an individual can be the point of contact for more than one organization. We identify our members only by their e-mail address.

An individual can be a point of contact for multiple Legacy Partners. It is necessary that each Legacy Partner has its own membership account.

Become a Legacy Partner

[Legacy Partners](#) are businesses, professional service providers and nonprofit organizations whose missions reinforce our goals of preserving legacy stories, acknowledging the contributions of immigrants, supporting social studies instruction and helping small businesses succeed. In response to current social issues, we have repurposed our unique storytelling tool to also support families who have lost a loved one to Covid-19 and to help [unite our nation](#) which has become severely polarized due to the lack of serious conversations about systemic racism.

All Legacy Partners receive a 6-digit ID Number when they [register](#) so their clients, members, friends and staff can easily find them on our site by putting the word “node” and that ID number after our web address—[www.americansall.org/node/xxxxxx](#). Moreover, Legacy Partners can access Americans All logos and marketing materials to help advertise their membership in our program.

Business Legacy Partners

Business Legacy Partners pay a \$49 fee that is renewable every 6 months. For this fee, you can:

- Receive free home pages on our Web site—one for each location and in multiple languages, if desired—to share information about your business or practice and advertise discounts for current and future Americans All members.
- Get 2 free 7-digit Gift Codes (worth \$49) to publish stories on our Heritage Honor Roll. We recommend using one of the codes to create a story on your business or practice and the other to create a story on yourself. Every renewal includes two 7-digit Codes, which can be gifted to employees or family members.
- Host, on your home page(s), [legacy stories](#) that customers have published on our Heritage Honor Roll to provide further exposure for these stories. By doing so, you begin creating or expanding an affinity club for your business or practice.
- Be listed on both our [Discounts](#) page and our Legacy Partner landing page, so Americans All members can identify Business Legacy Partners offering discounts on goods and services.

Your participation in Americans All supports social studies education in schools and reinforces your important role in the community.

Nonprofit Legacy Partners (NLPs) participate in Americans All at no cost because they host, on their free Legacy Partner home page(s) on our website, [legacy stories](#) that members have published on our Heritage Honor Roll to provide further exposure for these stories. These home page(s)—one for each chapter/division/office and in multiple languages, if desired—share information about the organization and help it better connect with current and future members.

NLPs are listed on our Legacy Partner landing page and can be searched by name, language, category and location. To help individuals and groups that share a common interest but are not represented by a national organization, such as families of Covid-19 victims and First Responders, and to consolidate stories on historically relevant topics, we have added landing pages for these [issues/topics](#) in our Legacy Partner section.
