THE ART OF SUPPLEMENTS

Summary & action to be taken

Forever Vital supplements owes its success to the personal contact from man to man, because this is the dynamic in which there is plenty of room for tailor-made explanations; so you learn faster which supplements best support e/o upgrade your vitality.

That is why no online ordering, but we invite you to a (zoom) meeting (either via your contact person or contact us via the zoom form on the website).

You might have to get used to the personal contact, but practice has taught us that you get exactly what you need for your vitality and that's why it works! We hope to see you soon to support you in your Forever Vital journey.

FOREVER VITAL SUPPLEMENT SOLUTIONS

The finest natural supplements
that everyone needs today
to be Fit and Vital!

Why liquid? Because 98% is directly absorbed by your body to upgrade your vitality.

Forever Vital supplements are the solution

Many remedies promise to be a solution, but in practice make hardly any difference. Together with the downward spiral of many people's vitality, there was a need for supplements that would work immediately. Without 'any side-effects', but would be especially effective for today's vitality undermining issues. *Everyone wants a solution that works!*

Why does it work?

The concentrated Forever Vital supplements are liquid, so **98%** are absorbed by the body; thus accelerating results.

The pure and natural ingredients have no harmful side effects and the specifically applied frequencies improve and increase the vitality of your physical & energetic body.

How do I make the right choice?

We distinguish between supplements that apply 'to everyone' and supplements that we recommend 'testing first' to see if your body and mind needs them. For the right & best supplement combination visit the website or ask your contact.

The Golden Duo: Magnesium L-Threonate & Cell D-Cal, to improve your thinking capacity & awareness, strengthen bones, soften muscles (including heart muscle) and joints, energy levels, metabolism and prevent Dementia, Alzheimer's and Parkinson's. Magnesium L-Threonate is the *only magnesium* that helps build brain cells. Together with Cell D-cal, they help restore calcium/magnesium balance to optimize both our thinking and our vitality.
