# Registration Information for an Individual

1. Click on the link "Create New User Account" at the top of our "Home Page" www.americansall.org to set up a free "New User Account". This gives you access to your personalized "Welcome Back" page that contains links to obtain program benefits, some of which do not require membership in Americans All (AA).

2. Tutorials are provided to assist individuals in navigating the site and its many benefits. See: https://americansall.org/page/americans-all-web-site-tutorials

3. Our program has two main components: Americans All (A) and the Social Legacy Network (SLN). After an individual creates a "New User Account," they have two options. They can register for a free lifetime membership in AA using their own email address, or become a point of contact for a Legacy Partner Alliance (LPA) entity—a school, nonprofit or a business—using the entity's email address. AA members can create an individual or a group story for the Heritage Honor Roll (HHR) if they use their own address. An individual can have their own story (using their own email address) and the point of contact for multiple entities, using their unique email address.

3. Lifetime membership in AA includes a three-month free trial in our Social Legacy Network (SLN) which enables them to get discounts on goods and services from our Business Legacy Partners (BLP). Students keep the free trial opportunity until their class graduates. Members do not need to create a story to be part of the SLN.

4. Members will find it easy to start creating their stories. Our template (for either an individual or a group story) only requires individuals to fill in their name, date of birth and a summary not to exceed 60 words to begin the creation process. Importantly, all fields marked with an (*) must include at least one word (like "to come") to activate the field, thus avoiding an error message. Additional story text, hyperlinks and photographs can be added over time.

5. When filling out the field "Ethnicity and/or culture, country(ies) of origin of grandparent(s), occupation, achievements, contributions" (for an individual story), or "Field/Industry/Profession/Activity" (for a group story), insert "keywords" that will make it easier for the reader to use our SEARCH feature to locate your story. Those words will appear at the top of the story after the honoree's name when it is published on the Heritage Honor Roll.

6. After the free trial in our SLN, members have an option to continue receiving discounts from our business partners for a subscription fee of $4/month, 77% of which is donated to a school of their choice. A second registration form will need to be filled out and will be sent before the trial period ends. **We will not invoice without your permission. We believe the discounts you can receive will more than pay for your membership.**

7. After the legacy story is created, you can click on "Create a legacy story in an additional language" on your "Welcome Back" page if you want to begin working on a second story. After you select the new language (including English for the second story), the template for your original story will appear. Simply delete (or type over) the text in each field and add the new text for the additional story. Members can create as many new stories in foreign languages as they desire. However, the same foreign language cannot be used more than one time.

8. After each additional story is created and published, a new link will appear on your "Welcome Back" page, so you can modify the story anytime, for free. All previous versions of the story will be archived.

## The registration form is continued on page 5

American All (AA) is a nonprofit community outreach and empowerment program. Our revenue-generating multipurpose storytelling tool helps leaders, at all levels, improve the mental, social and economic health of their constituents. The program uses a unique storytelling tool and its Social Legacy Network (SLN) to benefit students, community members, nonprofits, schools and local businesses—both socially and economically. It has two main components: a Heritage Honor Roll (HHR) that hosts stories created by its members, and Legacy Partner (LP) landing pages for businesses and nonprofits to share information about themselves, and if desired, host stories created by our members.

Lifetime membership in AA is free for all individuals, and it includes a three-month free trial in our SLN which enables them to get discounts on goods and services from our Business Legacy Partners (BLP). Students keep the free trial opportunity until their class graduates. After the trial period, AA members have the option to subscribe to our SLN for $4 per month, cancelable at any time, to continue receiving discounts; 77 percent of their gross subscription fee is donated to a school or education organization they designate. If the school is not registered, the funds are donated to their district. It is anticipated that members will subscribe since they should gain more in discounts than the cost of their subscription. If a member does not opt to join the SLN, their lifetime membership in Americans All is unaffected.

Members will never be automatically billed for the optional Social Legacy Network fee after their free trial and can cancel their subscription at any time once they subscribe. No credit card is required to be put on file for the free trial. In addition, we do not store credit card data, share or sell our members' contact information, allow pop-up ads or of AI.

Stories on our HHR can be autobiographical or about individuals, families, groups or issues/topics, contain up to 2,000 words (1,000 can be password protected for privacy), and be augmented with images, logos, hyperlinks, photographs, and audio-video media. They can also be published in multiple languages. In addition, membership includes creating a second story in English.

All stories can be easily updated and we archive all prior versions archived. Stories can be started by filling in only a few required fields and then be completed over time. In addition, members can also create a shorter version (up to 500 words) which can be printed in an 8½" x 11" format. Finally, AA provides step-by-step tutorials and easy-to-use templates to simplify the creative process.

What makes our program even more unique is that we include historical information to provide context for these stories and the experiences, observations and accomplishments reflected in them. Even though AA is no longer active in curriculum arenas, our online K–12 nonpolitical supplemental classroom resources presented in multiple perspectives, which were sold to more than 2,000 schools and libraries nationwide remain our site.

Storytelling helps families pass on knowledge and experiences to current and future generations. Research by the National Library of Medicine has shown that patterns of memory sharing begin early in one's life, informing relationships, one's history, and one's sense of cultural belonging. Intergenerational knowledge of one's family history is associated with positive mental health, wholeness and well-being. Life stories are central to one's sense of self and the social world that they inhabit. Indeed, considerable research indicates that storytelling is fundamental to human development, cultural frameworks, and the cultivation of relationships.

## Sample Heritage Honor Roll story for an individual

www.americansall.org/node/553341

Cox-Hyson Home, Smithville, TX   *Historic Building*

As a Bicentennial gift and through the generosity of Floyd R. "Skip" Hyson and his wife, Lucille, the newly-organized Smithville Heritage Society received the Cox-Hyson house as a permanent home for the Society in 1976. Built in 1908 for John Cox and his wife, Irene Wilkes Cox, the house was the family home of the John Cox family. Following John's untimely death in 1916, the house passed to his wife Irene, then their daughter Lillian Cox Hyson in 1952. Upon Lillian's death in 1976, the house went to her son, "Skip" Hyson, who then donated the house to the Smithville Heritage Society.

The home is listed on the National Register of Historic Places and has remained mostly unchanged since it was built except for minor interior changes and necessary restoration and maintenance work done by the Heritage Society. It sits in exactly the same location as when built. The wraparound porch and tall ionic columns with decorative corbels remind us of a typical two-story, early 1900s Victorian house, neo-

classical in style. It is not "high Victorian", but "transitional", characterized by wide verandas and wrap around porches, tall windows, and rooms with pocket doors. A white picket fence once enclosed the property in its early years.
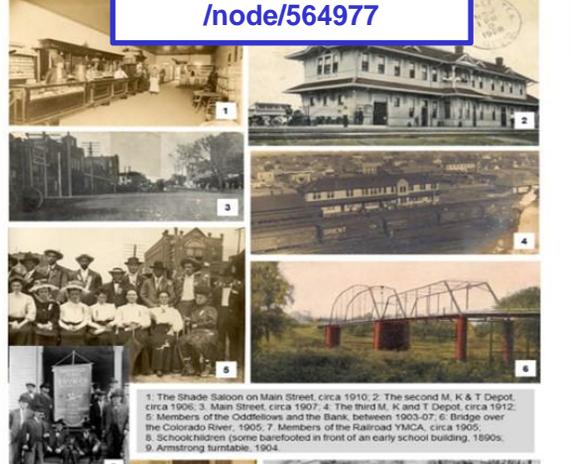

On the first floor, there is a formal entry, parlor, dining room, bathroom, country kitchen and an enclosed porch, once a sleeping porch. The love . . .

## Create Legacy Story for an Individual

**[A different template is provided for a Group story]**

*An asterisk (*) indicates a required field.*

**Click here** for step-by-step instructions on how to create a legacy story for an individual. You may want to print these instructions for future reference.

Use this template to create your honoree's legacy story in English. Once it is published in the Heritage Honor Roll, use the link under "Actions" on your "Welcome Back" page to "Create a legacy story in an additional language."

By capturing the text in all fields—except "Middle Name" and (Maiden Name)—on this template, our "Search Engine" will make it easier for members to locate your honoree's story. For the listing in Americans All, please add a hyphen if the first or last name has more than one word (e.g., Mary-Ann, Billy-Bob, Smith-Benson). This will enable our "Search Engine" to add the hyphenated words as a single name.

To ensure the legacy stories published on our Heritage Honor Roll do not contain inappropriate language, all text is filtered through a secure, third-party Profanity App. If a word or phrase used in your story is on its "block" list, you will receive an error message at the top of the template when you click on the "Publish My Story" button. If that occurs, replace the word or phrase by using its first and last letters and put an "x" for each letter in between, such as "sxxt" or "fxxk you."

We can override the App's list of blocked words. If you believe the "blocked" word is appropriate, contact us by e-mail. Put the word "Profanity" in the subject line. In the body of the e-mail, identify the "blocked word or phrase" and include the sentence in which it is used. If our editorial board agrees that the word or phrase is appropriate, we will remove the word or phrase from the App's block list and notify you so you can insert the desired word or phrase in your story.

**Note:** Each time you change your honoree's legacy story, you must click on "Publish My Story" or "Save My Work."

## Create a legacy story or a landing page in an additional language.

**View published      Modify/Update      Revisions      Create this page in an additional language**

Our Web site displays information in English using a standard Latin character set. At no additional cost, you can create your honoree's legacy story or a Legacy Partner's landing page in as many additional languages as you desire. However, each additional language cannot be used more than one time, except for those languages on the list that have been modified. To help you create either a story or a landing page, we have provided you with a copy of the English-language version to use as a guide. To create this new version, delete the English-language text and replace it with the new language text. Text and image fields that are not modified will remain the same as in the English-language version.

Similarly, you can post your Heritage Honor Roll stories to as many Legacy Partner landing pages as you desire, but each Legacy Partner landing page cannot accept more than one story from each member. Therefore, you must delete the 6-digit number of the landing page you selected for your English-language-version story from the new "additional language" template. This will not affect the English language version being posted to that Legacy Partner landing page.

To help you gain more exposure for your story, you can hyperlink all language-versions of your story to each other, or to the story of another member on our site.

Click here to learn how this can easily be done.

You can create your new story in two ways:

- If you can change your keyboard settings to the desired language, delete the English-language text and replace it with the new language text.
- If you cannot change your keyboard settings, prepare your honoree's story in the desired language offline and cut and paste it into the template to replace the English-language text

If you do not find the additional language you desire listed below, please **contact us** and put the word "Additional Language" in the subject line.

Note: Many words and expressions do not have the same meaning in all languages. To ensure your honoree's legacy story or Legacy Partner landing page in the new language carries the same meaning as the English-language version, we advise that you do not rely on an automatic translation app.

## Create My Honoree's Story in an Additional Language.

*An asterisk (*) indicates a required field.*

**Click here** for step-by-step instructions on how to create a legacy story for an individual in an additional language. You may want to print these instructions for future reference.

To assist you in creating your honoree's legacy story in an additional language, we have provided you a copy of the English-language version to use as a guide. To create this version of your story, delete the English-language text and replace it with the new language text. If a field is not changed, the data from the English version will remain. Moreover, since Legacy Partner landing pages can only accept one story from each member, delete the 6-digit number of the landing page you selected for your English-language-version story from this new "additional language" template. Your English language version of the story will not be affected.

To help you gain more exposure for your story, you can hyperlink all language-versions of your story to each other, or to the story of another member on our site. Click here to learn how this can easily be done.

**Note:** Each time you change your honoree's legacy story, you must click on "Publish My Story or Save My Work" or your changes will not be saved.

# Americans All Website Tutorials

Americans All members will find it easy to start creating their life stories. Our template only requires individuals to fill in their names, pertinent dates and a summary not to exceed 60 words. Additional story text, hyperlinks and photographs can be added over time. The following tutorials will help you create and publish your legacy story. You can update your story at any time, for free, and all previous versions are archived.

There are four major roles that Americans All members can have. A person (an individual or a group for which he/she is affiliated), a nonprofit organization, a school or education (a specific form of a nonprofit organization), and a business or professional service provider (and their respective offices and locations). A person can also be an agent (or Point of Contact) for a nonprofit or business member but must register separately using that organization's email address.
