

## Registration Information for Americans All

We are a hybrid charity that raises money for schools and education nonprofits using our revenue-generating, multipurpose storytelling tool. Most charities request donations but do very little for their sponsors/ members. We are different. We are a hybrid because we provide an optional storytelling tool, have only one level of giving and two separate components, and do not produce, sell, or send out merchandise. Rather, we offer our members multiple opportunities to benefit themselves and their families when they make their charitable gifts.

There are four major roles that Americans All members can have. A person (an individual or a group for which he/she is affiliated), a nonprofit organization, a school or education (a specific form of a nonprofit organization), and a business or professional service provider (and their respective offices and locations). A person can also be an agent (or Point of Contact) for a nonprofit or business member but must register separately using that organization's email address.

Americans All members will find it easy to start creating their life stories. Our template only requires individuals to fill in their names, pertinent dates, and a summary that does not exceed 60 words. Additional story text, hyperlinks, and photographs can be added over time. You can update your story anytime, for free; all previous versions are archived.

**Below are registration tutorials for an individual. A shorter version has been provided for people used to filling in website templates.**

**Step 3:** Click on the Heritage Honor Roll tab at the top right of the page for examples of individual and group legacy stories. All stories include a summary that appears on the bottom of the Heritage Honor Roll landing page, because more than one person may share the same name.

Stories can be searched by last name or group name and, if needed, by language and state.

Stories cannot exceed 2,000 words and do not have to include photos, logos or other images (see story on [Brendon Fitzgerald](#)).

An individual (or a group) can have more than one story on the Heritage Honor Roll, because members have opted to recognize different contributions of the individual or group (see stories on Senator McCarthy and Polly Bemis). Stories can also appear in multiple languages (see stories on [Mariano Vallejo](#) and [Marie-Claire Miller](#)).

Stories may include photos, logos or other images. Some contain just one or two images (see stories on [The Alamo](#) and [Rihei Onishi](#)) while others have several images, such as this [example](#).

[Click here](#) for examples of different montage layouts.

To enable your unfinished story to be added to our website, it only requires individuals to fill in their name\*, date of birth\* (and passing, if appropriate) and a summary\* not to exceed 60 words on our template (see next page).

Legacy story text, hyperlinks, photographs, movies and other audio and video media can be added over time.

**Step 4:** To begin working on your story, create a new folder on the home screen of your computer or tablet so that all the elements to create your story can be stored in one place. Inside the new folder, create additional folders to house all the images you may want to use for your story. You will also need to create a word document to prepare your text before you cut/paste it into our website.
