Concept

Please leave your plumbing work in Kanagawa to a reliable and proven company.

We solve your plumbing problems at a lower price than anywhere else.

Companies that deal with plumbing and water troubles in Kanagawa are trusted and have a proven track record with quick responses and reasonable prices, and have the ability to handle 1,000 requests per year, so you can trust them. Consultations and estimates are free, so please feel free to contact us if you are concerned about problems with your plumbing, or if you are having trouble with leaks, clogs, or strange odors. Our experienced staff will visit your home in as little as 20 minutes and provide you with an estimate on the spot. We will not start work until you are satisfied, so if you cancel before work begins, there will be no charge. We are cheaper than anywhere else, and we only charge for materials and labor, so we are also recommended for those who want to solve their problems at a low cost.

Q&A

Check out answers to some of our most frequently asked questions from our customers

What kind of workers will be coming?

The worker in his 30s had been a plumber for over 10 years, and the representative in his 40s trained at a major plumbing company before going independent. With these two experienced workers at the core, we carry out our work quickly and reliably.

Is there a travel fee?

No, we do not charge a travel fee. We only charge for materials and labor.

How long will it take to arrive after I contact you?

We will arrive in as little as 20 minutes. This may vary depending on work schedules, but we will respond to your enquiries.

Can I pay at a later date?

Yes, we can accept bank transfers.

About us

Kanagawa Waterworks handles plumbing work and water supply problems in Kanagawa

If you need repairs for clogged pipes or water leaks in Kanagawa, please leave it to us with confidence.

Our company, which has a reputation for its high level of technology and careful work, carries out construction work to solve clogged pipes and water leaks throughout Kanagawa Prefecture, mainly in Yokohama City. You can rest assured that our experienced staff will carry out the work. Consultations and estimates are free of charge,

so please contact us by phone or email and we will respond promptly. We are open every day from 9:00 to 23:00, so you can contact us at a time that is convenient for you. Our company, which has a reputation for quick response and reasonable prices, will visit your home in as little as 20 minutes and provide an estimate on the spot after inspecting the site. Since we can carry out the work at a lower price than anywhere else, only covering the cost of materials and labor, we recommend this to those who are dissatisfied with the high estimates of other companies and those who want to repair at a lower cost. Since we only start work after you are satisfied, there is no charge if you cancel before the work is started, so please rest assured.

Payment can be made by cash on the day of the work, or by bank transfer, so you can choose the method that is most convenient for you. If you have any questions or concerns, our staff will explain everything to you in detail, so please feel free to contact us.

We solve plumbing problems in your home, including plumbing work in Kanagawa.

A reliable and proven company that handles all types of household plumbing problems, including kitchens, bathrooms, toilets, washrooms, and washing machines, operates under the motto of "quickly responding at the lowest possible price" and has a track record of handling 1,000 cases per year, so you can trust us. We are open every day from 9:00 to 23:00, so we can also handle requests at night and on holidays, so you can contact us at a time that is convenient for you.

If you are having trouble with clogged water areas, water leaks, or bad odors, we recommend a company with a reputation for high technology and careful work. Our experienced and skilled staff will visit your home to find the cause of the problem and solve it with the best construction. We accept inquiries and consultations by phone or email at any time.

We only charge for materials and labor, and we do not charge a basic fee, surcharges for early mornings and late nights, travel fees, or cancellation fees. If you want to repair at a

low cost, are dissatisfied with the estimates from other companies, or would like to request a comparative estimate, please feel free to contact us.
