Contact with the Howard County HCEDA

Hi Allan,

Thanks for sending over this information and for thinking of us to participate in the Americans All program. It certainly looks like an incredible opportunity for the county.

Can you share with us what level of involvement you envision from HCEDA regarding a potential partnership? I'm cc'ing my colleagues, Chuck Bubeck (Exec Director of Maryland Innovation Center, our startup incubator as part of HCEDA) and Doug Holly (Entrepreneur in Residence for the MIC). I believe we are the best contacts for this but will be happy to connect you with others on our team as we determine more details around the potential partnership with HCEDA.

I'm also wondering if this partnership should take place between AA and Howard County Public Schools (HCPSS). Have you been in touch with anyone there? Happy to connect you.

Thanks,

Hi Allan,

I understand you've been reaching out via phone this week and have spoken with my colleague Jillian Joseph.

I wanted to reach out to touch base and reiterate our warm congratulations on the progress you have made in the last year for Americans All. We are not looking to set up a profile on the site, but will continue to support informally.

Thank you and take care,

Aphaia

Contact with the Howard County Partnership Office

Hi Allan,

I heard back from our Curriculum Office and learned that they are not interested in partnering because we already have a program in place that meets similar objectives. The existing program is called Story Strong. When we find that a potential opportunity is not possible, we try to offer other ideas that may be helpful, which is why I listed some plan B thoughts.

PTAs - If you are looking for contact information for high school PTAs, please see this link for the listing of all high school websites - [Schools – HCPSS](#). Once you click on a school's website, scroll down to the bottom of the homepage to see a link to PTA information. For PTAs, they are separate organizations that have their own procedures. They do not typically need to contact our office; however, if they mention the need to reach out to us, you can refer them to me.

Clubs - Certain school clubs may be interested in your program. To get information about the various clubs at each high school, please see this link for the listing of all high school websites (this is the same link as the one listed above) –[Schools – HCPSS](#). Once you click on a school's website, look under Student Life, Activities & Clubs for the listing of clubs. Each club should have a point of contact listed on the school websites. They are typically teachers who are serving as advisors. Those are the contacts you should be reaching out to.

If you find a potential match with a particular extracurricular club or PTA, please reach out to the point of contact directly.

Community News & Programs Page - Nonprofit organizations can distribute information through the school system by requesting that it be posted on the HCPSS [Community News & Programs](#) page. If you would like to share information about your programs with the public, please submit a post by clicking on the *Add your Program* link at the top of the page. For questions about this page, please contact publicinfo@hcpss.org.

HC Historical Society - I encourage you to continue working with the Howard County Historical Society.

HoCoPoLitSo - You may want to look into [HoCoPoLitSo](#) to see if they would be interested in a partnership.

To: Allan Kullen <allantapco02@gmail.com>

Hi Allan,

Thank you for updating me on your progress with Americans All. As I mentioned in our call, I believe this is an ideal program for the entire county to implement. Our Historical Society provides access to materials that aid in historical exploration, research and discovery for all ages and cultural groups. Continuing to add stories about those who have been instrumental in our county's growth is clearly part of our goal and this initiative would give us another vehicle to engage with students to do so.

I am pleased that your foundation recognizes that life stories are central to one's sense of self, of the social world they inhabit, and that knowledge of one's family history is associated with positive mental health, wholeness, well-being and a sense of belonging. As educators, we all share in that mission, especially in these times where our nation has become divided in so many ways. That environment can be especially troubling to our youth as they recover from the disruption and isolation created by Covid-19. Participating in activities that involve storytelling can help them feel more emotionally connected and welcomed.

By offering another way for our businesses to connect with our schools adds another dimension to the value that Americans All brings to our county. Our schools need access to unrestricted funds and this provides an ongoing way to achieve that goal.

Designing a program that will be owned by the county is a great concept. Let's plan on sitting down soon to discuss the specifics on how we can maximize its value to Howard County and the Howard County Historical Society.

Best wishes and let's talk soon,
Mark

Founded in 1958, the Howard County Historical Society is the primary public repository of historical records and artifacts related to Howard County's rich history. The Howard County Historical Society provides access to materials that aid in historical exploration, research, and discovery for all ages and cultural groups.

Throughout the year, the Howard County Historical Society presents a wide variety of engaging public programs, concerts, lectures, and other activities. The Society also welcomes school groups, scouts, homeschoolers, adult groups, and the public to participate through field trips and outreach programs.

The Museum of Howard County (HCHS) Court House is housed in the former First Presbyterian Church, which was generally donated to the Society in 1959 by Mrs. Alta Rogers Clark in memory of her late husband, **Judge James Clark, Jr.** The Clark Family was instrumental in founding the Historical Society. Donations of Clark have been on the board since the organization's founding, including **Senator James Clark, Jr.** and currently **Martha Clark, Senior of CHS's Board of Directors.**

Located next to the Court House in Ellicott City, the original church was a modest building constructed in 1837 that collapsed during renovations in 1984. Rebuilt later that same year, the current Gothic-style structure with its soaring 100-foot tall tower, stately stained roof and stained and leaded glass windows was designed by **George Fisher** and constructed by Frederick A. Heister. Along with an extensive collection of outstanding artifacts, textiles, furniture and memorabilia, the Museum is home to a refurbished 1855 organ built by the A.B. Fagermacher Organ Company of Ellicott City.

The Howard County Historical Society Archives and Research Library were originally kept in the Museum and their moved to the Elliotts Mills Quaker School, now known as the **Wells Building**, in 1988. In the fall of 2011, the Society moved its treasure trove of historical maps, deeds and property records, marriage licenses, voter records, slave manumission records and other histories as well as over 4,000 historical photographs, local 4th documents, business receipts, and many rare and invaluable private documents to the **Charles E. Miller Branch Library and Historical Center** on Peppers Road in Ellicott City.

Reading our past, weaving into the future.

Howard County's rich military history, our Maryland heritage, and the Society's mission of community outreach are the essential elements in the Official Howard County Historical Society Flag.

Formally adopted by the Board of Directors on July 9, 2002, our flag was inspired by the headquarters banner of **General Bradley T. Johnson**, a unique burgee (oval-shaped flag) with a white field and red border in the center is a large cross bottonny in red – an original symbol of Maryland and one that appears the date field. It's the same symbol as used in the Howard County flag.

Surrounding the cross is an elliptical circle of 12 stars with a thirteen star in the center, replicating the star pattern of the **Third Maryland Regiment's** colors. One of the Continental Army's most reliable units, the Third Maryland played a major role in the victory by American forces at the **Battle of Fort Mifflin**, South Carolina in 1781. It was commanded by **Captain John Sager Howard**, for whom the County is named.

The white stars on the regional cross are gold with black interiors – representing our state colors, white, red, black, and gold. The stars are arranged so that a point on the star reaches out in all directions – symbolizing the Society's desire to reach out to future generations.

Over the cross bottonny in the shape of the Howard County Historical Society Museum, where the flag is from. We invite you to view the flag which was designed by the Society's **Richard T. Clark**, by visiting the Howard County Historical Society Museum.
