

Americans All 2.0 Membership Options and Pricing

After the pilot phase, members may choose to subscribe to the Americans All 2.0 discount platform to receive savings and special offers from participating businesses and professional service providers. **Free membership remains available to all individuals, families, and nonprofit organizations.**

Individual and Family Subscription

- \$4 per month (billed every six months)
- \$6.50 per month (billed monthly)

Businesses and Professional Service Providers

- \$ 8 per month (billed every six months)
- \$10.50 per month (billed monthly)

There is **no long-term commitment**, and members may cancel at any time. We never sell or share personal contact information. Members who choose six-month billing receive a discounted rate because it reduces program administrative costs, and those savings are passed on to participants.

Participating businesses and professional service providers may update their offers at any time at no additional cost. Their Business Dashboard also provides anonymous ZIP Code participation data to help them better understand activity within their service areas.
