

2. MEMBERSHIP & PARTICIPATION

Is membership free, and what do I receive with a free membership?

Your free personal membership gives you access to all website content and allows you to create and publish your own story on the Heritage Honor Roll. Instructions for creating a story are available on your Dashboard.

Why would I subscribe to the discount program?

After the pilot phase, members may subscribe to the discount program to access discounts, benefits, and promotions offered by participating businesses. Members may receive unlimited discounts and benefits each month, depending on the offers provided by participating businesses.

How much does the discount program cost?

After the pilot phase, the subscription will be available at:

- \$4 per month, if billed annually, for individual members
- \$6.50 per month, if billed monthly, for individual members
- \$8 per month, if billed twice a year, for participating businesses
- \$10.50 per month if billed monthly, for participating businesses

Can I participate in more than one role?

Yes. Individuals may participate in Americans All 2.0 in more than one role if each role is registered with a unique email address.

You must first create your personal membership account before registering as an agent or point of contact for a nonprofit business, including a school, or for a business. Convenient links on your Dashboard make it easy to manage multiple roles.

How is my personal information used?

Your information is used for specific program purposes:

- We use your name to create your Membership Card.
- Your email address is used to provide updates on program progress, benefits, and promotions.
- Your ZIP Code helps measure how many anonymous users the program has in each geographic area.

Is my personal information sold or shared?

No. Americans All 2.0 does not sell or share your personal contact information.
